

The Yun Family's Ninth Child is an Imp! Chapter 2559

Yun chujiu said indifferently, "It's just a bunch of fence-sitters, why bother? ! Let's go, we'll find an inn first, and then we'll go out for a walk."

Yun Chujiu's plan was pretty good, but unfortunately, many inns were already full, and even if she gave more spirit stones, she couldn't vacate a room.

Jin Zhi and the others were worried. were they going to sleep on the streets?

Yun chujiu rolled her eyes. "I have an idea. Come with me."

Everyone was skeptical. What idea did this guy have? Could it be that he was going to take advantage of some evil scheme to scam some innkeeper?

Yun chujiu led everyone into a store. The store was an intermediary store. Yun chujiu found a more shrewd-looking broker.

"I want to buy a courtyard. It's best if it's in the center of the city. It's more spacious and the price can be negotiated," Yun Chujiu said generously.

The broker saw that Yun chujiu spoke so generously and even bought a big courtyard. The service fee must not be reduced, so he immediately introduced a few courtyards.

Yun Chujiu finally chose one of the courtyards. After handling the formalities like the deed of the house, everyone settled down.

“What do you think? If we stay in an inn, we’ll need a lot of money, and we’ll have a place to stay in the future. This is called killing two birds with one stone,”Yun Chujiu said proudly.

Everyone couldn’t help but admire this guy’s quick thinking. However, this guy was really rich! The houses in Ninghai City were not cheap, especially the courtyard that Yun Chujiu bought was in the center of the city, and it was quite spacious.

Ye Bingyu suddenly thought of a crucial question. “Little jiu, but what if we can’t get into the primordial chaos sect? Wouldn’t you have bought this house for Nothing?”

Yun chujiu looked at her as if she was an idiot. “Can’t get into the sect? Is there anything in the world that I can’t get into?”

Everyone:”...”

Was it really good for you to be so Shameless?

However, no matter what, they finally had a place to stay. Everyone happily tidied up the house.

After a while, the broker brought a middle-aged couple over.

“Miss Yun, I picked out these couple for you according to your request. These two are honest people. Uncle Li is honest and hardworking. He also knows how to take care of the flowers and plants. Aunt Li works very fast. Moreover, her cooking skills are very good. Moreover, the main price for selling them is not high,” the broker said in a flattering manner.

Yun chujiu sized up the Li couple. They seemed honest and honest. Anyway, they had the contract to sell their bodies in their hands, so she was not afraid that they would play any tricks.

After Yun Chujiu paid the spirit stones, she sent the broker away.

The Li couple stood there very restrained, looking at each other at a loss.

“Uncle Li, Aunt Li, you don’t have to be nervous. You Do your duty well, and I won’t treat you unfairly. I’ve asked around, and the monthly salary of ordinary servants in Ninghai city is two thousand upper-grade spirit stones. I’ll give you three thousand.

In addition, if you perform well, I'll give you more money as appropriate. This is three months' monthly salary. I'll give it to you in advance so that you won't be short of money."

Uncle Li and his wife couldn't believe their ears and immediately thanked her profusely.

Yun chujiu continued, "I've always been generous to my own people. However, there's one thing. If I find out that someone has betrayed me, then I'm sorry. I can only let him know what it means to be cruel and merciless."

Uncle Li and his wife quickly swore to show their loyalty until they swore several times, yun chujiu smiled and said, "As long as there's no disloyalty, I'm still very easy to talk to. Go out and buy some ingredients and daily necessities. Don't be afraid of spending money. Keep these 20,000 high-grade spirit stones for your daily expenses. I'll come over to check the accounts regularly."
