

## The Yun Family's Ninth Child is an Imp! Chapter 2567

F \* ck!

Was this guy here to test or to make money? 20,000 high-grade spirit stones per person? There were at least 5,000 people in the test area she was in. Didn't she earn 100,000,000 High-grade Spirit Stones all of a sudden?

Everyone's eyes turned red!

They suddenly felt that the melon seeds in their hands were tasteless!

It could actually be like this?

She actually came to participate in a test and earned a pot full of money? It was really too enviable!

Those people were the same. What was wrong with soaking in the water? Wouldn't it be fine to get a piece of wood to hold for a while? Why did he have to spend money to be a spendthrift?

Someone gnashed his teeth and said, "Since the flood is useless, then we'll add some seasoning to area 9. We'll get some aquatic demon beasts to attack them. We'll get some huge ones, the ones that can topple the boat with a single tail."

The disciples who were controlling the array were also unwilling, so they really released a few huge aquatic beasts into area 9.

At this moment, in Area 9.

A certain Jiu's eyes were almost turning into sparkling spirit stones. Emma, she originally wanted to find the array core and break this bullshit array so that she wouldn't be fooled by others.

But she didn't expect that this was actually a Golden Avenue to make a fortune! Since that was the case, she would just stay inside. After all, she did not cry or make a fuss, and she did not kill her companions. She should be considered to have good willpower.

The candidates who were "Saved" on the ship were feeling complicated at the moment. Although Yun Chujiu had the intention of taking advantage of the situation, she was the one who saved them after all. Otherwise, in order to fight for those peaks., they would definitely suffer countless casualties.

Yun chujiu was about to sell more food to the crowd when she saw the waves rolling in the distance. Someone exclaimed, "Yes, it's an aquatic beast! A few aquatic beasts! We're doomed!"

Yun chujiu narrowed her eyes. "What are you panicking for? It's just some aquatic beasts!"

The crowd was so angry that they wanted to strangle this guy. What did he mean by 'just'? That was an aquatic beast! And from the looks of it, its level wasn't low. They would definitely be eaten! Although they weren't really dead, no one wanted to experience the taste of death! ! Moreover, once they died, there was a high chance that they would be eliminated, alright? !

Yun Chujiu said with a smile, "I have a waterproof pearl here. It costs 10,000 high-grade spirit stones each. If you want to buy it, hurry up and buy it! "You'd better buy more. After all, this thing doesn't expire. If you keep it, it might increase in value!"

Back when Yun Chujiu destroyed Yongxing trading company in the endless sea, she had bought many large ships and waterproof pearls. Now, she could exchange them for some money.

Although everyone knew that this waterproof pearl was only sold for 2,000 high-grade spirit stones outside, the situation was urgent now, so they could only buy it one after another.

Yun chujiu let Xue Wuji and the other two continue their business while she jumped into the water.

Everyone was stunned. was this little girl crazy because she made too much money? She committed suicide by jumping into the river? Wasn't she taking the initiative to be a snack for those demonic beasts?

However, seeing that her companion wasn't anxious at all, what was going on?

Everyone didn't have time to think too much. It was more important to buy the waterproof pearl first. Otherwise, they wouldn't be able to escape if the boat sank later.

The reason why greedy nine jumped into the water was to attract the attention of the demonic beasts so that they wouldn't sink the boat. After all, the water-proof beads weren't sold out yet!

After Yun Chujiu swam into the water, she swam towards the aquatic demonic beasts. After thinking for a while, she took out a piece of white cloth and waved it:

"Hey! Lord Demonic Beasts, I'm Coming! I took the initiative to let you eat! Come and eat me! There won't be such a shop after this village! My meat is delicious and you won't forget it when you eat it. Come and eat me!"
