

The Yun Family's Ninth Child is an Imp! Chapter 2578

Yun chujiu stared at the iron-skinned snake. She took out a bow from her back and shot an arrow at the snake's eye.

The iron-skinned snake was trapped in the vine net and had no way to dodge. Yun chujiu shot accurately and her left eye was hit.

The iron-skinned snake hissed in pain and spat venom from its mouth. However, after Yun Chujiu finished shooting, she ran to a place where it could not reach. All its struggles were in vain.

Yun chujiu ran to the other side and blinded the snake's right eye. Only then did she aim the dagger in her hand at the snake's seven inches.

The reason why Yun Chujiu blinded the snake's eyes was that she did not know if the dagger in her hand could pierce through the snake's hard skin. At the very least, it was safer to let it lose more than half of its combat strength.

However, the result was a pleasant surprise to her. The dagger did not take much effort to pierce through the snake's seven inches. The snake struggled a few times before it stopped moving.

Yun chujiu did not dare to be careless. She used the javelin to poke a few more times. Seeing that the snake was indeed dead, she asked Xue Wuji to put down the vine net.

Yun chujiu dragged the snake and hung it on a tree in the distance. Then, she returned to the bushes and continued to trap it.

After repeating it twice, the three iron-skinned venomous snakes were all killed.

Yun Chujiu arranged for Jin Zhi and ye Bingyu to collect wild fruits while she and Xue Wuji began to deal with the three iron-skinned venomous snakes.

The iron-skinned venomous snakes were not small in size. If the four of them ate sparingly, it would be enough to last them for three to four days. Yun chujiu twisted the snake skin into a rope and then wove it into a net. It was much more useful than the vines.

Yun chujiu carefully dipped a portion of the arrows into the snake venom. This way, if they encountered a demon beast that was difficult to deal with, they would have the upper hand.

Finally, she divided the snake meat into a few parts. One part was for immediate consumption, and the other part could be stored for another two days after it was slightly dried.

Everyone was busy for a long time before they started roasting the snake meat.

Everyone felt very satisfied. There was both snake meat and fruit. They would not have to worry about food and drink for at least three to four days.

There were still many people watching in the square of the primordial chaos sect. Seeing that many people were hungry and thirsty in the demonic beast forest, they could not help but gloat.

They did not know which elder came up with the question this time. It was really too bad! It was even worse than the previous tests they had participated in. These candidates were really unlucky!

“Hehe, look at them. They can only eat leaves! It’s really tragic!”

“It’s already pretty good that they could find edible leaves. Didn’t you see that many people died because they ate poisonous grass?”

“TSK TSK, and those people were frozen like grandchildren at night. It’s really pitiful!”

..

Someone slapped his thigh. "Oh right, let's take a look at Yun Chujiu's situation. Isn't she greedy? Isn't she able to earn money? No matter how rich she is, she won't be able to use it now. She must be in a very sorry state. She might have already been eaten by a demonic beast!"

The crowd jeered one after another, requesting for Yun Chujiu's image to be shown. This was because there were too many candidates, so the shadow stone only showed a few people's images in turn.

When elder Linghu heard the crowd's jeering, he was also a little curious. He did not know if that little girl had already been eliminated. Thus, he asked his disciple to bring up Yun Chujiu's image.

Very soon, the figures of Yun Chujiu and the other three appeared on the shadow stone number nine.

There was a bonfire on the ground. Some people were eating barbecued meat, while others were eating wild fruits. As for Yun Chujiu, she had built a hammock between two trees and was lying on it, humming a tune.
