

The Yun Family's Ninth Child is an Imp! Chapter 2588

Elder Yuwen rubbed his eyes and pinched himself again. Then, he realized that the little girl had disappeared.

Yes, it must be an illusion!

A moment later, he found Yun Chujiu's figure on a shadow stone.

He finally couldn't deceive himself and think that this was an illusion. What was going on? Why did she jump into someone else's area?

However, the shadow stone could only see the parts of the tester and the Demon Beast, it could not see the rest. Elder Yuwen jumped anxiously, and in the end, she simply disappeared without a trace.

The people in the square were very puzzled. Where did elder Yuwen Go? Could it be an internal emergency?

A moment later, elder Yuwen flew back.

Only then did everyone realize that Yun Chujiu's figure appeared on the No. 9 Shadow Stone. This time, not only could they see the image, but they could also hear the voice inside.

At this time, Yun Chujiu had already strolled through nearly a hundred regions. Unfortunately, she did not meet Xue Wuji and the others. Fortunately, there were many talismans in this storage ring, so she was not afraid that she would not be able to blow up the formation core.

Yun chujiu strolled to area 960. When she saw the person fighting with the demonic beasts inside, she couldn't help but be happy!

That person was the man who had previously scolded Yun Chujiu for being a profiteer. When that man saw Yun Chujiu, he felt as if he had seen a ghost in broad daylight!

Why would she appear in his area?

Yun chujiu waved her claws at him. "Hey, we meet again! "Do you need help?"? "I only need 100,000 spiritual stones, and I can help you!"! "100,000 spiritual stones can't be bought at a loss, and 100,000 spiritual stones can't be bought at a loss. Don't miss it when you pass by!"

The man had been attacked by five level 40 storm wolves, and he couldn't fight back at all. Seeing Yun chujiu say that, he was naturally eager to help. He quickly said, "Use it! Use It! Hurry Up!"

“Swear it!”

That person quickly swore a poison oath and said, “Yun Chujiu, I’ve sworn a poison oath. Quick, quickly come over and help!”

Yun chujiu bared her little white teeth. “I’m sorry! Didn’t you say that I’m a profiteer? How can a profiteer keep their word? I’m leaving, you can play by yourself!”

After Yun Chujiu said that, she hopped away.

That person choked on her anger and immediately fainted.

The corner of the eyes of the people from the primordial chaos sect twitched violently. This little girl was really mean! If you didn’t want to help, you shouldn’t have said it in the beginning. In the end, she agreed, but she didn’t do this deal anymore. How Wicked!

Elder Yuwen wasn’t concerned about whether she was wicked or not. He was concerned about how that little girl ran into someone else’s territory. What was her purpose for doing this? Normally, shouldn’t she hurry up and kill the Demon Beasts to pass the test?

After a quarter of an hour, elder Yuwen watched helplessly as Yun chujiu took out a talisman and blew up a tree with water-pink flowers. Then, her figure reappeared in another area.

Elder Yuwen frowned. How did the little girl know that the tree was the eye of the array? Could it be that she knew about array formations?

On the shadow stone, that little girl happily began to shuttle between various regions. When the contestants saw her, it was as if they had seen a ghost.

Finally, when Yun Chujiu entered another region, she found ye Bingyu.

Ye Bingyu was miserable. Her spiritual power was low, so how could she be a match for five level 40 horned bulls? She had died several times, but she still couldn't kill a single horned bull.

When Ye Bingyu saw Yun Chujiu who suddenly appeared, she thought she was hallucinating. In a moment of shock, she was bitten to death by a horned bull again.

Yun chujiu touched her nose. Anyway, it seemed that she had died several times, so this time shouldn't be too bad, right? Yes, it must be so.
