

The Yun Family's Ninth Child is an Imp!

Chapter 26: I Came for Class

Yun Chujiu rolled her eyes. 'So, we've been beating around the bush for so long because my new grandpa is also a money-loving bastard?!

"Grandpa, I'm the one who came out with this idea and sealed Bai Morou's acupuncture points. Isn't two-tenths too little? At the very least, I should get half of the money, right?!"

"Hmph! Why does a young lady like you need that much money?! Thirty-seventy! The most I can accept is thirty-seventy!" Yun Xiaotian glared at her.

"Fifty-fifty. Let's make it fifty-fifty, or else, I'm going on strike! What are you going to do then?!" Yun Chujiu put her arms akimbo while widening her eyes. 'Grandpa, even if we're relatives, we have to make things clear when it comes to money. It's a matter of principle.'

2

When Yun Xiaotian saw that Yun Chujiu was as angry as a soaked kitten, he was amused. "Young Jiu, tell me, why do you need that much money? If it's reasonable, forget fifty-fifty, I'll be fine with even giving you seven-tenths of the money!"

Yun Chujiu stretched out a dark hand, bent her fingers, and said, "First, I love delicious food, but the food at the restaurants are so expensive..."

2

Yun Xiaotian was so angry that he nearly got a stroke.

'Look at this girl, she's hopeless! She only thinks about food!'

1

When Yun Xiaotian was about to scold Yun Chujiu, Yun Chujiu gave a mischievous smile and said, "Second, I need to buy you gifts since you treated me so well, Grandpa. I want to show you my respect! You won't like it if I give you junk, right?"

2

Yun Xiaotian's anger instantly disappeared, and he felt so happy he was at cloud nine. If he did not hold back, he might have started laughing out loud in satisfaction.

Yun Chujiu peeked at Yun Xiaotian's expression, and she felt incredibly smug. 'Ha! You might be a cunning old fox, but you can't escape from me, the hunter! Ohohohoho!'

"Third, my uncle, aunt, Fourth Brother, Fifth Sister, and Young Tenth will also need gifts. I've done many wrong things in the past, so I need to make up for my mistakes, right? Grandpa, asking for half of the money isn't too much now, don't you think?"

"Of course it isn't! Young Jiu, I don't want their money anymore, you can keep all of it!" Yun Xiaotian's heart burst with joy after listening to Yun Chujiu's sweet-talk. Right now, forget about the silver, he would not hesitate in offering his life if Yun Chujiu wanted it now.

"Grandpa, that won't do! I'm still young, and it wouldn't be good if I don't control my spending. You can keep the other half for me. When I get married, you can use it for my dowry!" Yun Chujiu grinned and said impishly.

1

Yun Xiaotian laughed at Yun Chujiu's sweet words. "Alright, alright! Then, I'll keep it for you first. Once you find your ideal husband, all of this will become your dowry!"

Yun Chujiu continued acting like a spoiled but cute princess for a little while longer before she skipped off to look for Yun Chuwu.

And while she scampered off, she started making sarcastic quips in her heart. 'You think this is easy for me?!

'My original persona made too many mistakes, and I have to seize every opportunity to clear my name. Now, my new grandpa is basically on my side now, so I have to go to my eldest uncle's house to get his affection.'

When Yun Chujiu frolicked all the way to Yun Chuwu's courtyard, she learned that Yun Chuwu had gone to her classes.

1

It was only at that moment that Yun Chujiu suddenly remembered that the Yun family had a cultivation hall. Aside from emergency matters in the family or resting days, all young members in the Yun family must attend classes in the cultivation hall. Since Yun Chujiu was absolutely hopeless when it came to cultivation and was constantly busy with trying to please Bai Moyu, she had never been to the cultivation hall before.

Yun Chujiu blinked and ran off to reach the area outside the cultivation hall.

The one who was looking after the cultivation hall was the Fifth Elder of the Yun family, Yun Xiaowen. When he saw Yun Chujiu coming over, he could not help but frown. “Yun Chujiu, why are you here at the cultivation hall?”

“I’m here for classes! Aren’t all the disciples of the Yun family able to come for classes?” Yun Chujiu tilted her head to the side and asked seriously.

1

Chapter 27: Young Jiu, Do you Have a Question?

The fifth elder found himself speechless for a moment. But as an elder, it would not look good for him to embarrass a junior, so he waved his hand. “Go on in! But don’t make a mess!”

Yun Chujiu could not help but did a secret eye roll. ‘Do I look like someone who just fools around all the time?’

3

Yun Chujiu walked into the cultivation hall with a swagger, and as soon as she entered, she attracted everyone’s attention.

“Oh, would you look at that? Yun Chujiu, what are you doing here? Could it be that the ultimate trash of Ye City cultivates now?” A beautiful girl mocked.

Yun Chujiu looked at her. She was the third mistress’ daughter, Yun Chuqi, and she was the seventh child in the family. She looked down on the original persona and usually bullied her quite a lot.

“Chuqi!” An elegant girl glared at Yun Chuqi before she spoke softly to Yun Chujiu, “Younger Sister Jiu, why did you come into the cultivation hall? Why aren’t you outside?”

Yun Chujiu’s eyes flashed. ‘Compared to Yun Chuqi, this Yun Chushan is even worse!’

Yun Chushan was the third eldest child in the family, and she was Yun Chuer’s younger sister.

The original persona actually thought that Yun Chushan was a good person, but many things that happened to her were because of Yun Chushan’s bad ideas, and her original

persona would always end up as the scapegoat. Yun Chushan had also been involved in how Yun Chujiu had ended up being so completely infatuated with Bai Moyu.

When Yun Chushan saw that Yun Chujiu was not talking and was only staring at her with a pair of eyes as dark as the night sky, she could not help but panic a little.

“Younger Sister Jiu, can you hear me?”

Yun Chujiu yawned. “Ah... Well, I have nothing to do, and since I have nothing to do, I decided to come and see you all. Continue training, just ignore me.”

“Hmph! Who do you think you are?! You came to see us? Why would we need trash like you to see us? Third Sister, just ignore her!” Yun Chuqi glared at Yun Chujiu angrily and dragged Yun Chushan to the side.

Yun Chujiu pouted and got close to Yun Chuwu, who was meditating and training. “My dearest Fifth Sister, I’m here!”

Yun Chuwu’s eyelids twitched slightly. “Since you’re here, just sit down and behave. The fourth elder will teach us in a while. The fourth elder is the most impartial and stern elder of all of our teachers. You must absolutely not cause any trouble!”

1

Yun Chujiu nodded repeatedly. “Fifth Sister, don’t worry, you know how I am. I’m the most obedient person around. I won’t cause any trouble.”

2

Yun Chuwu rubbed her forehead. ‘It’s precisely because I know just how you are that I’m afraid you might stir up trouble, alright?!’

Yun Chujiu looked around curiously. This cultivation hall was actually just an empty big room. Including Yun Chujiu, there were nine disciples of the Yun family here! And among the younger generation of the Yun family, only Yun Chuer was not around.

Yun Chujiu did not care IF others found her an eyesore either. She just nodded and smiled at everyone, creeping them out.

‘This Yun Chujiu is normally gloomy, so what exactly is she up to today?’

All the muscles in Yun Chushi’s small face tensed up, and he glared viciously at Yun Chujiu. But Yun Chujiu just stuck her tongue out at him.

Yun Chushi found himself stunned speechless.

At this moment, Yun Xiaohai, the Fourth Elder of the Yun family, came in.

The fourth elder saw Yun Chujiu immediately, and he was puzzled. 'Why is Yun Chujiu here? What is she up to today?'

The fourth elder gave Yun Chujiu a warning look. But to his surprise, Yun Chujiu just smiled sweetly at him, and her dark face actually looked a little pleasing to the eye at the moment.

3

The fourth elder could not help but be stunned. He did not realize before that Young Jiu had a pair of good-looking eyes. They were clear and bright, like a clear spring!

Though this was supposed to be a class, the learning progress of the disciples of the Yun family was different. In fact, most of the time, the disciples would just train on their own, and the elders were just responsible for answering their questions.

Today was no exception. After the fourth elder came in, he sat cross-legged at the forefront of the hall and waited for the disciples to ask him questions.

But there was no way Yun Chujiu would know about this process? She just widened her eyes idiotically and stared at the fourth elder.

The fourth elder was a little baffled by Yun Chujiu's action. "Young Jiu, do you have a question?"

'Huh?'

Yun Chujiu was confused. 'What's happening now?'

Chapter 28: The Bai Family Came to their Residence

Yun Chuqi pouted. "Fourth Elder, this Yun Chujiu is just a piece of garbage that can't cultivate, what questions could she have?"

1

The fourth elder snorted coldly, and it was clear that he was displeased. Yun Chuqi shut up in embarrassment but decided to direct her anger instead at Yun Chujiu by glaring at her.

Yun Chujiu shrugged. 'You're blaming me? It's your fault for running your mouth off, you know?'

“Since you don’t have any questions, just culti... rest well!” The fourth elder originally wanted to tell her to train well, but when he remembered that Yun Chujiu could not practice cultivation, he forced himself to say “rest” instead of “cultivate”.

Yun Chujiu raised a little dark hand. “Fourth Elder, I have a question! In addition to the five elements: gold, wood, fire, and earth, are there any other elements?”

2

“No!” The Fourth Elder frowned. ‘What an easy question. Doesn’t Yun Chujiu know the answer to this? Truly, she’s ignorant and incompetent.’

Two disdainful snickers rose around her. One was from Yun Chuqi, and the other was obviously from that little imp, Yun Chushi.

Yun Chujiu ignored them and sank into deep thought.

‘That can’t be right.’ She had clearly absorbed dozens of purple light balls, and they were definitely not one of the five elements.

Yun Chujiu could not understand what was going on, so she decided to just cross her legs, close her eyes, and sense the spiritual energy around her.

Yun Chujiu looked like she was sleeping in the eyes of the other people.

The fourth elder shook his head. ‘This child’s life can be considered ruined now. If she behaves, the family can provide for her, and she won’t have to worry about anything. But if she continues to have ties with Bai Moyu, her life will end in tragedy.’

After four hours, the fourth elder announced the end of today’s training and strode out.

Yun Chujiu stretched, rubbed her eyes, and hugged Yun Chuwu’s arm. “Fifth Sister, let’s go. I’ll go to your place for dinner today! I want to eat braised fish with brown sauce, dry-braised pork ribs, braised lamb with soy sauce...”

Yun Chushi glared at Yun Chujiu fiercely. “Yun Chujiu, what mischief are you cooking up, exactly? If you want to eat, go back to your own residence to eat!”

Yun Chujiu rolled her eyes. ‘Ah, you’re so not cute!’

When Yun Chujiu was about to speak, Butler Ji rushed over hastily and said, “N-Ninth Young Mistress, the head of household asked you to go to the entrance! The Bai family is here!”

Yun Chujiu’s eyes lit up, and she let go of Yun Chuwu’s arm while she spoke excitedly, “Butler Ji, come! Let’s go together!”

Yun Chujiu walked briskly with her short legs, and like the wind, she dashed off while dragging Butler Ji off by the sleeve.

1

“Tsk tsk, Young Jiu just dumped and forgot about you when she heard that Bai family came over, Fifth Sister. Seriously, she’s really not worthy of your time!” Yun Chuqi said in a mystifying tone.

Yun Chuwu cast Yun Chuqi an indifferent look. “We’re all sisters. There shouldn’t be any talk about whether anyone is worth anyone’s time.”

Yun Chushi was standing at the side, and he clenched his fists. ‘Yun Chujiu... Yesterday, she said she wanted to turn over a new leaf, and she made a mistake again today. How despicable!’

Yun Chushi was so angry that his small face turned red. “Elder Sister, I told you that Yun Chujiu will never change. If you don’t believe it, I’ll go and see what evil deed she did this time.”

Yun Chushi then rushed out, and Yun Chuwu quickly followed behind him.

The others looked at each other, and each harbored their own thoughts as they followed them out of the hall.

Butler Ji looked at Yun Chujiu, who moved ecstatically beside him, and could not help but wonder. ‘Why is the ninth young mistress so fast? This speed is about the same as those at the Third Level in Spirit Refinement Realm. How is this possible?’

Yun Chujiu ran to the entrance. When the two guards at the entrance saw Yun Chujiu coming out, they quickly came over to serve her.

“Ninth Young Mistress, you’re here!”

“Ninth Young Mistress! Do you need us to drive them away? Once you give your order, we will immediately take action!”

2

Chapter 29: This is Blackmail!

Butler Ji could not help but marvel about this. He knew these servants. Although they never said anything outright, they looked down on the ninth young mistress in their hearts. Why were these guards so attentive now? How strange!

Yun Chujiu straightened her petite body, and she waved her hand. "Alright, you two did well. Go to the back."

"Yes, milady!" The two guards stepped back happily. 'Looks like the ninth young mistress was very pleased with their performance. We might get even more money from her later.'

2

Four servants carried a soft couch, and there Bai Morou laid, like a dead fish. When she saw Yun Chujiu come out, she started shouting shrilly, "Yun Chujiu! You bastard! Pass me the antidote now, or I'll have my brother kill you!"

"Yo, Bai Morou, what's the matter with you? Did karma strike so soon? Bai Moyu bullied me because I was young and immature and tried to harm me multiple times. At noon, he even tried to kill me. Did the karma from all his bad deeds land on you instead?"

"Tsk, tsk. Bai Morou, as the younger sister, it's only natural that you atone for your big brother's sins, right? Why did you come all the way to make a ruckus at the Yun residence?" Yun Chujiu looked very puzzled, and she did not care that her words had caused a stir of gossip among the onlookers.

"Yun Chujiu, stop lying! You're just full of baloney! It's you who did this to me!" Bai Morou was so angry that she almost passed out.

After they returned to the Bai residence, Bai Moyu asked for a physician, but he could not figure out just why Bai Morou ended up this way. In the end, they could only suspect that Yun Chujiu had poisoned Bai Morou, which was why Bai Moyu brought Bai Morou to Yun Chujiu to settle this matter.

"Bai Morou, lightning strikes those who spew nonsense, you know? Who can prove that I was the one who did this to you? You're at the Third Level in Spirit Refinement Realm, and I'm trash that can't even practice cultivation. How could I have possibly harmed you?"

3

"My brother and cousin-sister can prove it! You are the wench who did this to me!" Bai Morou said through gritted teeth.

“Bai Morou, are you kidding me? The two people you just mentioned are on your side, it’s only natural that they will support you! But it’s different for me, a lot of guests in Immortal Gathering Tower and Leisurely House saw you bullying me, just so you know.”

When Yun Chujiu said this, her eyes turned red-rimmed, and her body trembled slightly. “I was eating at Immortal Gathering Tower, but you chased me away, so I ran to Leisurely House to eat, and you went there to kill me! I could only jump down from the first floor to escape, aren’t I just pitiful? Fortunately, I’m thin, or I would have definitely hurt myself from the fall.

“Boohoo! You’re both total bullies! Now, you even came to the Yun residence to smear my name and blackmail me?! My fellow countrymen, your eyes are all clear. Tell me, don’t you think the Bai residence are bullies?”

4

There were indeed some people in the crowd who were at Immortal Gathering Tower and Leisurely House for food at the time of the accident. When they heard Yun Chujiu’s words, they could not help but become indignant, and they hit their chests to verify her words. “Yes! What the ninth young mistress said is true! She was eating at Immortal Gathering Tower, but was chased away by Young Master Moyu!”

“Yes! Exactly! When we were at Leisurely House, Young Master Moyu tried to force the ninth young mistress to move to another private room. And later, the ninth young mistress was forced to jump out of the building!”

“Yes, I heard it too! The ninth young mistress cried out for help when she fled at that time, and her voice even broke!”

.....

The young boys in the Yun Family became angry when they heard what the crowd said!

Yun Chushi originally wanted to settle his score with Yun Chujiu, but now, he felt that Yun Chujiu was quite pitiful. ‘She was actually bullied by Bai Moyu to this extent? Looks like she meant it when she said she wanted to turn over a new leaf.’

1

As the eldest brother, Yun Chuyi was the first to step forward. “Bai Moyu, your family has gone overboard with your acts of taking advantage of the weak. Leave the Yun residence immediately, or we will show no mercy.”

“Yes! Hurry up and go! If you dare to bully Young Jiu again, we will not spare you!” The others also spoke up.

2

Chapter 30: She Might Have Chest Pains

When Yun Chuji saw that Yun Chuyi and the others had her back, her petite body quivered even more.

Yun Chujiu used her sleeve to wipe her tears. "Boohoo! I can't even be considered a decent human being anymore! Bai Moyu used me to do so many things that are harmful to the Yun Family, and yet my brothers and sisters still protect me like this. I, Yun Chujiu, swear that I will be eternal enemies against Bai Moyu in the future and guard the Yun family until my dying breath!"

Once Yun Chuwu saw Yun Chujiu crying so badly, she found her heart going out to her, and she took out her handkerchief to wipe her tears. Yun Chuyi, too, thought that they had not paid enough attention to Yun Chujiu before this, or else, there was no way Young Jiu would have been tricked by that Sleazy Bai Moyu!

4

Yun Chuqi was the only one who turned her head away and pouted because she did not believe in Yun Chujiu's words. As for Yun Chushan, her eyes sparkled. 'It's no wonder why my brother said that Yun Chujiu changed. She's really different from before!'

1

Yun Chujiu tumbled into Yun Chuwu's arms as she sobbed and sniffled, but during that time, she was actually thinking. 'What the heck? How did Fifth Sister develop so well? This is a D cup, right?! Ah, I'm so jealous!'

11

Bai Moyu's face turned red with rage. Bai Morou had been the one talking just now, and he did not have the chance to speak. He did not expect that Yun Chujiu would be able to turn the tables with just a few words!

'We're the victims, but now, we're the slanderers and blackmailers! When did Yun Chujiu possess such a silver tongue? Does it mean that everything from before was an act to deceive me?'

“Yun Chujiu, you know what the truth is! You better hand us Morou’s antidote right now, otherwise, the Bai family will not let this slide, and we’re not to be trifled with!” Bai Moyu’s expression was livid, and he wanted to strangle Yun Chujiu badly.

Yun Chujiu was still sobbing softly, and she ignored Bai Moyu.

“Bai Moyu, Young Jiu already made it clear that what happened to Bai Morou has nothing to do with her. If you don’t leave, don’t blame me for not being courteous.” Yun Chuyi took a few steps forward.

Bai Moyu gritted his teeth. Yun Chuyi was already nineteen years old, and he was also at the Fourth Level in Spirit Refinement Realm. If he started a fight here, he would not be able to gain any sort of advantage. Besides, this was the Yun family’s territory. What should he do?

Even if his father and grandfather were to come here, as long as Yun Chujiu refused to admit to what she did, the Yun family would protect her, and he would not be able to do anything to her!

The Yun family was filled with people who had no sense of dignity as well. Yun Chujiu had already betrayed the Yun family so many times in the past, and this time, she even stole the Soul-Gathering Pill, and yet they still defended her!

‘Really, don’t they have any dignity whatsoever?’

“Young Jiu, I know you are angry with me! What do you want me to do in order to save Morou? I will meet every condition you make, even if you ask me to make up with you, I will!”

Yun Chuyi and the others immediately turned to Yun Chujiu. ‘What? Did Young Jiu do this because she argued with Bai Moyu? Is she lying to us again?’

Yun Chujiu secretly cursed in her heart. ‘This scumbag is really a sinister son of a gun...’

“Bai Moyu, stop blowing your own trumpet. A sissy like you wouldn’t even deserve licking my shoes. I will rather be a nun than marry you!” Yun Chujiu pointed at Bai Moyu and stomped on the ground as she shouted.

1

The people of the Yun family felt relieved when they saw Yun Chujiu acting like this. It seemed that Young Jiu had really decided to reform herself!

Bai Moyu's expression was livid with rage. 'This Yun Chujiu... She's too despicable! I'll have to search for a chance to kill her, and only then will I be able to vent my hatred toward her!

1

'But what's important now is to cure Morou, and I'll settle this score slowly in the future.'

Once Bai Moyu thought of this, he forced himself to endure his anger and said, "Yun Chujiu, stop beating around the bush. Just what do I need to do for you to save Morou?"

Yun Chujiu sighed. "Alright, then, you might be scum, but I have nothing against Bai Morou. It's a real pity that a healthy girl like her suddenly ended up like this too. Hmm... I think that she might be suffering from chest pains because of the fall. Maybe, probably, should be, yup."

1
