

## The Yun Family's Ninth Child is an Imp! Chapter 260

Di Beiming's clothes were all turned into rags by the lightning. Yun Chujiu, the small, perverted wolf, immediately had a nosebleed when she saw that.

Yun Chujiu was really big-hearted. Even after going through such a monumental transformation, she was still lustful enough to have the intention to take advantage of Di Beiming. She stretched out her perverted claws and wanted to pull away the rags that were in her way.

At that moment, Di Beiming opened his eyes, and the poor supreme emperor's nose starting bleeding.

Yun Chujiu saw that Di Beiming had woken up, so she sheepishly retracted her claws and said, "Prince Charming, you're awake? I was just about to help you up!"

Di Beiming's face turned red, and he quickly closed his eyes and said, "Why don't you have your clothes on? You're akin to a black bean sprout, and you're actually trying to seduce me?!"

Yun Chujiu was stunned. Then, she looked down and was doubly stunned!

She was worse than a gigolo. Yun Chujiu quickly took out a set of clothes from her storage ring and put them on hurriedly.

When she turned around, she saw Di Beiming trying to put his clothes on with his mouth and teeth because his hands and feet were stiff. They were not cooperating at all!

When he saw Yun Chujiu looking at him, he became even more anxious. In the end, he spat out a mouthful of blood.

Di Beiming did not have Yun Chujiu's weirdly extraordinary body. Previously, he had completely exhausted his spiritual power and suffered serious internal injuries. It was good enough that he could preserve his life! How could he be as lively and lively as Yun Chujiu.

Di Beiming took out a porcelain bottle from his storage ring. Yun Chujiu helped to pour out a few pills and stuffed them into Di Beiming's mouth! Di Beiming swallowed the pills. Although he no longer spat out blood, his hands and feet still were not responding.

Yun Chujiu saw the situation and immediately smiled with ill intentions. She began to admire the handsome man openly.

Di Beiming's head had been zapped bald by the heavenly lightning. However, not only was it not ugly, but it also added a mysterious aura. Looking at it made Yun Chujiu's claws itch.

Di Beiming's face turned red. "Black Thing! Turn around for me!"

Yun Chujiu pouted. Although she turned her body around, she angled her head back and stared at Di Beiming lecherously.

"Turn your head around too!" Di Beiming was so angry that he gritted his teeth. The black thing was really, really shameless!

Yun Chujiu shrugged her shoulders and said lightly, "Prince Charming, don't blame me for not reminding you. In a while, Master Xuanyuan and the others will come. Do you want those old men to admire your strong body?"

Di Beiming's face stiffened and he gritted his teeth, "Black Thing, come and help me put on my clothes!"

Yun Chujiu turned around and hugged her shoulders. She shook her legs and said, "I'll reluctantly help you put on your clothes. However, don't you think we should talk about the cost?"

“As the saying goes, brothers always settle their debts. This is one thing, so you can’t let me work for free, right?”

Di Beiming was so angry that he almost spat out another mouthful of blood. He gritted his teeth and said, “How much do you want?”

“You know my price. It’s two thousand Spirit Stones. I think your clothes are quite complicated. I’ll give you a set price of ten thousand Spirit Stones. How about it? Isn’t it expensive?” Yun Chujiu said with a smile.

“Deal!” Di Beiming was so angry that the veins on his forehead popped up. ‘Black Thing, just you wait, I won’t forgive you!’

Yun Chujiu quickly helped Di Beiming put it on. Of course, during the process of putting it on, she could not help but take advantage of him and said a few flirtatious words.

The miserable lord fainted once again! Yes, he fainted from anger!
