

The Yun Family's Ninth Child is an Imp! Chapter 2608

Xue Wuji himself did not expect him to pass. He could only return to the team and wait for Jin Zhi and ye Bingyu's test results.

Jin Zhi steadied her mind and stepped into the mountain gate.

The two stone Pixiu did not give her a high evaluation, but they still allowed her to enter the mountain gate.

Ye Bingyu saw that Xue Wuji and Jin Zhi had passed successfully, and she became even more nervous. Could she do it?

Yun chujiu blinked her eyes. Xue Wuji did not need to say much. Jin Zhi had absorbed the golden light from Little Bai's face, so her aptitude was much better than an ordinary person.

However, Ye Bingyu was only an ordinary person. It would be difficult for her to pass, so she had to help.

Therefore, when ye Bingyu stepped into the mountain gate and the two stone pixiu on both sides were about to test it., a certain jiu cried out, "Aiyu! I just realized that you guys are actually two Pixiu! You guys are actually divine beasts! Heavens, I heard that Pixiu are the most auspicious divine beasts and can attract wealth and ward off evil. No wonder the primordial chaos sect placed you guys at the Mountain Gate!

TSK TSK, you guys are really loyal. You guys have been guarding here for hundreds of thousands of years, right? "It's really admirable!"

As the stone beasts guarding the mountain gate of the Primordial Chaos sect, no one had ever dared to blaspheme them. Naturally, no one dared to speak to them, let alone such flattery!

Therefore, the two Stone Pi Xiu were a little dumbfounded. While they were in a daze, Ye Bingyu had already passed through the mountain gate.

The two Stone Pi Xiu naturally didn't want to admit that they had been distracted just now, so they gave two vague comments. They were nothing more than average aptitude, and diligence could make up for clumsiness.

Elder Jing didn't have a bad impression of Xue Wuji and the other two. After all, the bad things were all done by Yun Chujiu, as long as she didn't get in.

Just as elder Jing was about to announce the end of the test, he saw that the little girl actually shamelessly stepped into the mountain gate again.

Elder Jing couldn't help but sneer. Even if she tried a hundred times, it would be useless. The two stone Pixiu were the most stubborn and wouldn't change their minds.

Master Baili and the others also thought the same. This little girl really didn't know her limits. If she did this, she might anger the two stone pixiu.

The two stone Pixiu were indeed angered!

First, Yun chujiu barged in again. Second, because of her interference, they let ye Bingyu in without testing.

The two stone Pixiu were prepared to teach Yun chujiu a lesson. At the very least, they would send her hundreds of feet away.

Just as the two stone Pixiu were about to make their move, they suddenly felt an aura that they had not felt for a long time. It was the aura of their master.

Only then did they realize that the little girl was holding a ring in her hand. It was the sect leader Ring of the founding ancestor of the Primordial Chaos sect.

Back then, this ring had been passed on to Patriarch Yuan Tian as the sect leader token. However, with Patriarch Yuan Tian's disappearance, this ring had disappeared. They did not expect it to fall into the hands of this little girl.

The two Stone Pi Xiu were stubborn. They didn't care how Yun Chujiu had obtained the sect leader's Keepsake. In their eyes, this little girl was their new master. Thus, not only did they not send Yun chujiu flying, but they also didn't do anything about it, furthermore, the two Stone Pi Xiu actually said in unison, "Her aptitude is excellent. She can be considered an immortal essence heaven's pride."

Elder Jing:" ..."

Master Baili:" ..."

Everyone:" ..."

Were these two stone pi Xiu mad, or were they bribed by the little girl's flattery? Why did they have two completely opposite attitudes in such a short period of time?
