

The Yun Family's Ninth Child is an Imp! Chapter 2616

Xue Wuji and Jin Zhi looked at each other. They knew that Yun Chujiu was able to contract the spiritual worm. Perhaps the previous snow jade silkworm had been contracted by Little Jiu, which was why they attacked that disciple.

“Little Jiu, I’m afraid that person won’t let it go. We have to be more careful in the future,” Jin Zhi said with some worry.

Yun chujiu nodded. “What should come will come. At worst, we can just make a scene! What’s there to be afraid of? ! Let’s go back to the dorm.”

Since they could only ride their swords in the Tianji Square, the four of them had to walk to the Tianji Square.

As they walked, they looked at the scenery around them. They were standing on the upper side of the Tianji Peak, so the spiritual essence was very rich and the buildings were very exquisite.

The four of them couldn’t help but sigh. The treatment of disciples of different statuses was very different.

While the four of them were walking, a few people walked toward them. One of them saw the four of them and took a few steps forward. “Cousin Jiu, Cousin Bingyu, why are you here? Are you here to see me?”

Yun chujiu glanced at the people across from her. "Cousin Mingchuan, you're overthinking. We're just on the way. We have something to do, so we'll take our leave."

After Yun Chujiu finished speaking, she didn't wait for Fan Mingchuan to say anything more and quickly left with Xue Wuji and the other two.

A gloomy look flashed across fan Mingchuan's face. He raised his voice and said, "Cousin Jiu, if you need my help in the future, feel free to look for me."

Yun chujiu ignored him and quickly left.

"Junior Brother Mingchuan, that cousin of yours doesn't seem to like you very much!" A man beside Fan Mingchuan said.

Fan Mingchuan's heart moved and he sighed. "She's my fiancée. I guess she's a little embarrassed in front of all of you!"

"What? That Yun Chujiu is your fiancée? You're really something! I heard that Yun Chujiu earned hundreds of millions of high-grade spirit stones during the test. She's really a good money-maker!"

“Yes, although Little Jiu’s spiritual power is a little low, she’s very good at making money. Moreover, she’s wholeheartedly devoted to me.” Fan Mingchuan said with a smile.

Yun Chujiu, didn’t you put on airs and don’t want to marry me? I will let everyone in the entire primordial chaos sect know that you are my fiancée. At that time, great-grandfather will have no choice but to marry you to me for the sake of his face.

Yun chujiu didn’t know what fan Mingchuan was up to. The four of them arrived at Tianji Square and left Tianji Peak by riding their swords. Yes, a certain Jiu was riding a chopping board.

The next day, they had just had breakfast.

Fatty song and Fatty Luo came over aggressively and asked, “Little girl, What’s wrong with you? Why did you leave without saying goodbye yesterday?”

Yun Chujiu said with a faint smile, “I saw that the two chefs were very busy, so I went back to the dorm first. I think it’s good to follow Old Yao, so I won’t trouble you two.”.

Fatty song and Fatty Luo tried to persuade her for a while, but when they saw that Yun chujiu was impervious, their faces immediately changed.

The two people mocked and ridiculed her for a while, then left.

Not long after.., a servant of the two people came over with a fake smile and said, “Since the four of you have nothing to do, go to the back of the mountain and cut firewood! If you can’t cut enough for two thousand kilograms and delay tomorrow’s lunch, you’ll be punished by the sect rules!”

A glimmer of light flashed in Old Man Yao’s dim eyes. He coughed and said, “Since the two chefs have ordered, you can go! I’ll prepare the vegetables for tomorrow.”

Yun chujiu nodded indifferently. After asking for directions to the back of the mountain, she brought Xue Wuji and the other two to the back of the mountain.
