

The Yun Family's Ninth Child is an Imp! Chapter 2619

Yun chujiu immediately understood that fan Mingchuan had not been kicked in the head by a donkey, but had been beaten by a certain someone!

Speaking of which, a certain someone had traveled thousands of miles to visit his daughter-in-law, but as soon as he had sneaked into the primordial chaos sect, he had heard that his daughter-in-law had become someone else's fiancée. How could a certain someone with a short temper endure it? !

Therefore, he forcefully resisted the urge to visit his little wife. Instead, he touched Tianji Peak and gave fan Mingchuan a good beating. Then, he asked Fan Mingchuan to clarify immediately, or else he would die.

Fan Mingchuan was scared silly!

This was the mixed origin sect! This was the Super Sect, the mixed origin sect!

How could someone beat him up in broad daylight? !

He wanted to say no, but a certain jiu warned him that if he didn't agree, he would kill the Ye family's mother and daughter. Fan Mingchuan had no choice but to grit his teeth and agree.

A certain Jiu finally found her dormitory and sat on the bed, waiting for her to come back.

After Yun Chujiu heard the whole story, she was so angry that she poked di beiming's head, "Are you stupid? What if you are found out? I have a way to deal with that Fan Mingchuan. Why do you have to take the risk?"

Di beiming grabbed Yun Chujiu's finger and raised his eyebrows, "If it was something else, I would not interfere. But that thing actually said that you are his fiancée. I am already calm enough that I did not kill him."

Yun chujiu thought to herself, 'Yes, you didn't kill him. But according to his admirer, Fan Mingchuan probably won't be able to get out of bed for ten days to half a month. Even the rumors were spread by others.'

"Fan Mingchuan is an inner sect disciple after all. I reckon that there will be people in the sect investigating this matter. I will definitely be the suspect. You should quickly leave this place.". The primordial chaos sect is not like other places. It would be terrible if they were discovered,"Yun Chujiu said worriedly.

"It doesn't matter! My cultivation strength has increased greatly recently. Why should I be afraid of those trash? ! If I get angry, I will destroy the primordial chaos sect!"Di beiming said disdainfully.

Yun chujia frowned. She felt that there was something wrong with di beiming. Although di beiming had a cold and arrogant personality, he was not arrogant. Why was he so arrogant now? What exactly happened?

Yun chujia found an excuse and left the room. She sent a voice transmission talisman to an feng, "Little Lunatic, did anything happen to your honorable sir recently? Why did his personality suddenly become so arrogant?"

Very soon., an Feng's sobbing voice was heard, "Miss Jiu, your subordinate is also very confused. A few days ago, your honorable sir's cultivation had suddenly increased a lot, but his personality had become like this. "Not only is he extremely arrogant, but his temper is also volatile. It's a good thing that he still cherishes his old feelings. Otherwise, I would have died dozens of times!"

Yun chujia asked a few more questions in detail and frowned. What happened to the Pretty Boy?

His cultivation had increased greatly? Could it be that he had removed another part of the seal?

Yun chujia recalled that after di beiming had removed a part of the seal, his personality had indeed become much colder. Could it be that the reason why he became arrogant this time was because the seal had been removed?

Yun chujia frowned. She vaguely felt that if the seal was broken again, di beiming's temperament would probably change again.

Before Yun Chujiu could think of anything, di beiming actually walked out openly.

Yun Chujiu was afraid of being seen by others, so she quickly pushed him into the house.

“Little Jiu, why did you push me? ! If I saw it, then I saw it. It’s just right for me to teach them a lesson and help you vent your anger.”Di beiming’s tone was extremely arrogant and arrogant.

Yun Chujiu felt that her head was hurting a little. Although his spiritual power was superb, if he let out such a temper, he was simply looking for trouble!
