

The Yun Family's Ninth Child is an Imp! Chapter 2621

A certain Jiu had a lot on her mind during the meal. It was not a big deal for the pretty boy to become cold and ruthless before, but now that he had become so arrogant, it was not a good thing.

According to what he had said before, his enemy was very powerful. He only had an Feng as a helper. If he was careless and underestimated his enemy, it would be very easy for him to get into trouble.

He had to think of a way to remind him. However, the gigolo was extremely arrogant now. How could he listen to her words?

Di beiming was completely unaware of Yun Chujiu's thoughts. He stood up and said, "This venerable self will go and see that trash, Xue Wuji. Give him some advice so that he won't keep dragging you down."

Yun Chujiu felt that her head was hurting even more. Wu Ji's head was an arrogant character. Now that he was facing this even more arrogant gigolo, it would be strange if they did not fight.

However, she could also see that di Beiming's personality was a man of his word. She was afraid that she would not be able to stop him. She could only say, "Prince Charming, I'll just call brother Wu Ji over. You Don't have to look for him."

"That's good too. Tell him to come over quickly. I don't have the patience to wait for him."

Yun Chujiu took out her identity jade token and sent a message to Xue Wuji. Not long after, Xue Wuji pushed open the door and walked in.

“Little Sister Jiu, why are you looking for me? Oh, the busy man is here? I thought you were already dead!” Xue Wuji saw Di Beiming as soon as he entered the house and continued to belittle him.

Di Beiming, who was sitting on the chair, grabbed Xue Wuji’s neck in a flash and said coldly, “You piece of trash, how dare you talk to Me Like This?”

Xue Wuji’s heart was filled with rage. Had Di Beiming gone mad?

Yun Chujiu quickly pushed Di Beiming’s hand away. “Prince Charming, what are you doing? ! Brother Wuji is almost out of breath.”

Di Beiming snorted. “An ant dares to talk to me like that. He didn’t kill him directly because he was thinking of old times.”

“Cough cough! Cough Cough! Little Sister Jiu, what’s wrong with this facial paralysis? !” Xue Wuji asked Yun Chujiu while coughing.

Seeing that Di Beiming was about to lose his temper again, Yun Chujiu could only give Xue Wuji a meaningful look. "Brother Wuji, stop joking! Don't you think that Prince Charming is even more powerful than before?"

Although Xue Wuji was puzzled, he could only agree. "Ah, ah, that seems to be the case."

Di Beiming glanced at him. "Little ant, you are so stupid! How dare you beg for food with gold in your hands. Although you can't be compared to me, as long as I can break your seal, why do you need to live on in this tiny primordial chaos sect?"

Xue Wuji automatically filtered out the words "Little ant" and "Stupid" and asked anxiously, "Do you have a way to break my seal?"

Di Beiming glanced at him with contempt and then said resolutely, "No."

Xue Wuji was so angry that he almost died. What was he doing without you? ! Crazy!

Yun Chujiu said in puzzlement, "Idol, that's not right. Didn't you break a part of brother Wuji's seal with a slap?"

Di beiming frowned slightly, "Little Jiu, don't refute my words in the future. I'll let it go this time. If you do it again, I won't be polite."

Ten thousand divine beasts rushed through Yun Chujiu's heart. She suppressed her anger and squeezed out a smile, "Male god, I understand. I'm not refuting you, but I don't really understand. Please explain to us."
