

The Yun Family's Ninth Child is an Imp! Chapter 2622

Di beiming was obviously satisfied with Yun Chujiu's explanation. He glanced at the Teacup on the table and a certain jiu quickly poured the tea for him.

Di beiming took a sip of the tea and said, "Little ant, I only used external force to loosen the seal for you last time. If you want to break the seal, you have to work hard."

"Work hard? How can I work hard? How can I break the seal?" Xue Wuji was at a loss.

Di beiming curled his lips. "When you encounter an extremely critical moment, or when your emotions fluctuate intensely, or when you encounter a certain stimulation, you can break the seal

"Of course, there is another way to break part of the seal. However, I'm afraid that a trash like you wouldn't dare to try. "Not everyone has the willpower and courage that I do."

The corner of Yun Chujiu's eyes twitched again. She felt that she was quite shameless. She did not expect di beiming to be even more shameless after his personality had changed.

Xue Wuji could not take it anymore. "Di beiming! Don't be so weird. If you have something to say, just say it. If you have something to say, just say it! What other way do you have to break my seal?"

Di beiming was about to fly into a rage when he felt a pair of weak hands pressing on his hands. His anger instantly dissipated and he said absent-mindedly,

“It’s very simple. You put yourself in danger. When you are on the verge of death, your seal will automatically activate. Of course, this method can only activate a part of the seal, and it can not be used frequently.”

Yun Chujiu’s heart trembled. She looked at di beiming in disbelief. “You... you didn’t use this method to seek death this time, did you?”

Di beiming looked at Yun chujiu unhappily. “What do you mean by seeking death? This is called a matter of urgency. If I didn’t do this, how could my spiritual power increase so quickly? Little Ant, do you dare?”

Xue Wuji’s face was gloomy. “Why wouldn’t I dare? ! This time, when you leave, I will go with you. What you said makes sense. Cultivating in the primordial chaos sect step by step is really a waste of my time.”

Xue Wuji was a top existence in the Tian Yuan continent. However, ever since he arrived at the immortal Yuan continent, he had met with obstacles everywhere. Furthermore, he had to be taken care of by Yun Chujiu before he could enter the primordial chaos sect.

Although he did not say it out loud, his heart had long been depressed to the point of breaking down. He was a dignified young master, yet he was actually burning a fire in the kitchen every day? No wonder he was scolded by Di Beiming, who had a paralyzed face. He was indeed too cowardly.

A faint light flashed across di Beiming's eyes, he curled his lips. "Are you saying those words out of anger? "Leaving this peaceful nest of the primordial chaos sect with this main body?"? Let me get this straight. The environment where this venerable self is located is extremely harsh. That useless an Feng cries eight times a day. Are you sure you want to go?"

"HMPH! You're underestimating this young master too much! The reason why I came to the Chaos Origin sect was to protect little sister Jiu. But now, it seems that little sister Jiu is the one protecting me. Since that's the case, why should I still stay here and work as a laborer? "!"Xue Wuji said resolutely.

Di beiming glanced at Xue Wuji. "Since that's the case, you should think of a way to leave the chaos origin sect. I'll bring you along when I leave the day after tomorrow."

Yun chujiu looked at Xue Wuji in surprise. "Brother Wuji, are you serious? Are you really going to leave the chaos origin sect and follow the Prince Charming?"

Xue Wuji nodded solemnly. "Little Sister Jiu, if I don't have any seals, the chaos origin sect is undoubtedly a good choice. "However, if I cultivate step by step, it will take a long time before the seals are unsealed. This is too slow!"
