

The Yun Family's Ninth Child is an Imp! Chapter 2623

When Yun chujiu heard Xue Wuji's words, she did not try to persuade him further.

She knew that Xue Wuji had a willful temperament. The past year had indeed been too sullen. She should respect his choice.

Moreover, with Xue Wuji by Di Beiming's side, she could at least persuade him a little.

She knew that although di beiming had become cold and ruthless, he was still thinking of their old friendship. Otherwise, he would not have reminded Xue Wuji.

"Brother Wuji, since you've made up your mind, I Won't persuade you anymore. What reason do you plan to use to leave the primordial chaos sect?"

"That's simple. I've already said that I don't want to be a handyman, and I'm preparing to re-apply next year. I'm just a handyman, so I should be able to pass easily." Xue Wuji said indifferently.

Yun chujiu nodded. After all, she was just a handyman, and she had only entered the sect for a few days, so there shouldn't be any big trouble. If it really didn't work out, she could just spend some spirit stones to settle it.

The three of them had come to an agreement. Yun chujiu sent Xue Wuji away and then returned to the house.

“Little Jiu, this is for you.” Di beiming handed Yun chujiu a jade token.

Yun chujiu took it and looked at it. The jade token was ordinary, and she couldn't see what level of spirit tool it was. She asked in puzzlement, “Prince Charming, what is this jade token used for?”

“There is a strand of my spiritual sense inside. If you encounter a life-threatening situation, you only need to crush the jade token and the spiritual sense inside will turn into my avatar. As long as you don't get into a huge trouble, I can help you settle it.” Di beiming had an arrogant look on his face, but his eyes were full of affection and doting.

Yun chujiu had never heard of such a divine ability. She looked at it several times curiously and then said, “If I use this, it won't have any bad effect on you, right?”

Di Beiming's eyes flashed and he said arrogantly, “What are you talking about? ! How can I affect you? ! If it wasn't for the rare jade token, I would have given you ten or eight pieces.”

Yun Chujiu was relieved after hearing what Di Beiming said. She saw that there was a hole in the jade token, so she tied it with a string made of heavenly silk and put it on her neck.

Seeing Yun chujiu like this, di beiming nodded with satisfaction. He naturally would not tell Yun chujiu that using the clone technique once would cause a lot of damage to the original body! As long as little jiu was fine, what was a little injury to him? !

The next morning, when Yun Chujiu was about to get up and go to work, Di beiming held her down. "Don't go! Whoever wants to go, go. How can they deserve to eat your food? !"

Yun chujiu knew that this ancestor was a man of his word, so she could only send a message to Jin Zhi, asking her to help old man Yao ask for a leave of absence. She would say that she had a bad stomach.

Jin Zhi had already heard from an feng that di beiming had come, so she agreed without asking much.

It was rare for her to sleep in, so Yun chujiu immediately felt refreshed. However, when she saw a certain master waiting for her to serve her, a small flame suddenly rose in her heart.

"Little Jiu, come over and dress this lord."

"Little Jiu, come over and clean this Lord's face."

"Little Jiu, come over and prepare breakfast for this lord."

..

The bullied nine originally wanted to resist, but when she thought of the numerous wounds on a certain lord's body, she endured it.

This fellow consoled herself that the wheel of fortune had turned. Perhaps when the gigolo undid the seal again, he would become a masochist. At that time, she would be able to turn over a serf and sing.
