

## The Yun Family's Ninth Child is an Imp! Chapter 2624

After having breakfast, Yun chujiu and di beiming chatted casually.

When it was almost noon, Xue Wuji came valiantly.

“Little Sister Jiu, I have already completed the procedures. You must be more careful in the future. If anyone bullies you, remember first. When I become stronger, I will come back and help you take revenge.” Xue Wuji was reluctant to part with her, however, in order to become stronger, he could only leave the chaos origin sect.

Before Yun Chujiu could say anything, di beiming snorted coldly, “Little Jiu has this main body to protect her. Why would she need you to take revenge? ! Stop talking nonsense and get lost quickly. This main body will send you a message when I leave.”

Xue Wuji endured it. You're a facial paralysis. Just you wait, I will teach you a lesson sooner or later!

When Yun Chujiu sent Xue Wuji off, she said softly, “Brother Wuji, don't be angry with this Prince Charming. It's because he has removed the seal that his temperament has changed greatly. You must bear with him a little more.

“In the future, remind him to not let him go his own way. “If you can't persuade him, send me a voice transmission talisman. I'll think of a way.”

Xue Wuji smiled bitterly. "Little Sister Jiu, how can I be so stingy? "Don't worry. I know that no matter how that facial paralysis changes, his core will never change "I'll tell you if there's anything. You have to be more careful in the future. This primordial chaos sect is complicated. Don't be careless."

Yun Chujiu's nose was a little sore. She nodded and said, "Brother Wuji, don't be too anxious. It's best if you can break the seal. It doesn't matter if you can't. After all, you have a mutated wind spirit root. Sooner or later, you will soar to the sky."

Xue Wuji nodded and turned around to leave the courtyard.

Xue Wuji Sighed silently. The seal was bound to be broken. If he did not become stronger, he would not be able to protect his family. He would not be able to protect his friends. He would also not be able to find that damn woman!

Yun chujiu turned around and returned to the house. Di beiming glanced at her. "Anyway, you have my clone jade token. It doesn't matter if that trash is not by your side. I brought him away for his own good."

Yun chujiu nodded. "Yes, I understand. Prince Charming, I want to talk to you. Can you promise not to be angry?"

Di beiming raised his eyebrows and smiled. "What do you want to say? Are you trying to persuade me not to be so arrogant?"

Yun chujiu choked and nodded awkwardly.

Di beiming curled his lips. "Even if you don't say it, I know what you're trying to say. What's wrong with being arrogant? What's wrong with being cautious? Besides, I'm arrogant because I have enough strength. This is called confidence. Is this called arrogance? For example, all your enemies are as weak as ants. How can you not be arrogant? ..."

Yun chujiu really wanted to go up and give di beiming two slaps, but, uh, she did not dare.

After di beiming finished speaking, seeing that Yun chujiu did not say anything, he said proudly, "Little Jiu, do you think what I said makes sense?"

Make sense my ass! You Arrogant Bastard!

Yun chujiu could not stand it anymore, she pointed at di Beiming's nose and said, "Pretty boy, I have tolerated you for a long time! "Yes, that's right. Your spiritual power is very high, but have you really reached the point where you can do whatever you want?" "Can you destroy the primordial chaos sect by yourself?"

“Yes.”

Yun Chujiu:” ...”

Alright, forget what she said just now. Damn it, she didn't want to talk anymore!

Seeing that Yun chujiu pouted and didn't say anything, di beiming touched her hair with his hand and sighed. “Alright, Alright! Continue talking. I Won't interrupt.”
