

## The Yun Family's Ninth Child is an Imp! Chapter 2625

Yun chujiu took a deep breath. "Alright, even if you are pretty awesome, let me ask you, do you know where the lair of the Divine Devil Temple Is? Can you defeat the person who tore through the Void to save Su Yanran back then?"

"Also, do you have a way to get the Gou Weiba out of my body? "Can you eradicate that enemy of yours? "If you can do what I said, you can be as arrogant as you want. I promise I won't say anything else."

Di beiming's expression turned gloomy and he did not speak for a long time.

Although Yun Chujiu felt that saying this would hurt di beiming's self-esteem, if he did not do so, he would probably go crazy.

For a moment, neither of them spoke.

Yun chujiu blinked her eyes. She had finished slapping him and it was time to give him some sweet dates.

"Prince Charming, I know what I said just now was a little harsh, but I'm really afraid that you will be in danger if you underestimate your enemy. If anything were to happen to you, how am I supposed to live?" Bai lianjiu looked at di beiming with tears in her eyes, she looked so pitiful and pitiful.

Di Beiming's heart ached, he quickly wiped Bai Lianjiu's tears away. "I didn't say anything, why are you crying? What you said makes a little bit of sense. Although I'm very strong, I'm still a little off. I'll be more careful."

"Sob, SOB, Prince Charming, you don't know that you're the strongest and most powerful person in my heart. "However, humans aren't gods. It's inevitable that there will be times when we're careless. So it's only right to listen to the opinions of others. Don't you think so?" Bai Lianjiu said as he sobbed.

Di Beiming nodded unwillingly. "Yes, you're right. I'll pay attention."

"SOB, sob. Although brother Black Rooster and an Feng are much weaker than you, they're useless when compared to you. However, it's inevitable that they'll be smart at times. So, Prince Charming, it's fine for you to listen to what they say from time to time. Don't you agree?" Bai Lian Jiu apologized to the two who were caught in the crossfire.

"Mm, then I'll listen to the words of those two useless people from time to time." A certain Lord felt that the words of his little wife were very pleasing to the ear. That's right, those two useless people couldn't be compared to him at all.

"Sob sob sob, Prince Charming, I really can't live without you. So, before you take the risk, you must remember that I'm still waiting for you. So, you must think twice before you act, Alright?" Bai Lian Jiu's shoulders trembled as she cried, she looked like she was in so much pain that she wished she could die.

A certain Jiu's heart was about to break as she hurriedly said, "I, I, I got it. I'll try my best not to take risks in the future. Don't cry anymore."

A certain jiu wiped her tears on di Beiming's body and nodded. "Yes, I believe that you will definitely keep your word, Prince Charming. Aiyo, I might be too sad and have a headache. Prince Charming, please help me massage my head!"

Di beiming immediately became nervous. He carefully massaged a certain Jiu's head and asked in a low voice, "Are you better? Does it still hurt?"

A certain jiu hummed, "I'm better, but it still hurts a little. Help me massage for a while more!"

..

A certain Jiu was so angry that she was "Sick", so a certain jiu naturally could not let her serve her anymore. Instead, she became a wife's slave who served tea and water.

A certain Jiu was proud in her heart. Little Girl, no matter how arrogant you are, you have to be a wife's slave obediently!

In the blink of an eye, it was the next morning. Although she was reluctant to leave, Di Beiming still left.

After Di Beiming left, Yun Chujiu went to the kitchen to work. Elder Yao did not say anything. Because Xue Wuji had left, Yun Chujiu could only become a fire-burning servant again.

Thinking of Xue Wuji's matter, Yun Chujiu's heart suddenly moved and she smiled.
