

The Yun Family's Ninth Child is an Imp! Chapter 263

Di Beiming could not help but spit at himself. What was there to think about when she was just an unattractive and uninteresting black bean sprout?! Even if he wanted to, he should think about what the black thing would look like when she grew up!

Di Beiming inexplicably recalled that Yun Chujiu once said 'Suffocate you to death' while talking about her chest and immediately blood flowed out from his nose!

Yun Chujiu had been staring at Di Beiming, and when she saw this situation, she could not help but giggle. "Prince Charming, is that the aftermath of the lightning strike? Why is your nose bleeding all the time?! Are you going to bleed to death?!"

Di Beiming could no longer pretend to sleep, and he said angrily, "I've been taking in too much supplements recently, that's why my nose is bleeding. What's the big deal?!"

Yun Chujiu pouted. "HMPH! No wonder you haven't been here recently. So you've been secretly eating some good stuff!"

After Yun Chujiu said that, she felt that the sentence sounded wrong. She seemed to be a little jealous, so she quickly added, "Actually, it's okay if you don't come. I've met a fool recently whom I've cheated!"

Di Beiming snorted. "Must be that Idiot Xue Wuji! You're asking a tiger for its skin! Stay away from him from now on!"

"Huh? How did you know?" Yun Chujiu asked curiously.

"I naturally have a way to find out! Aren't you afraid that he'll kill you? Xue Wuji is famous for being temperamental and ruthless. You actually dared to trick him. Once he finds out, he wouldn't spare you." Di Beiming easily avoided Yun Chujiu's question.

Yun Chujiu pouted and said, "I have no choice! That Black Chicken's spiritual power is very high. I can run away from the monk but I can't run away from the temple. Naturally, I have to think of a way to fool him! Owh by the way, what's the relationship between the two of you?"

"Black Chicken?" Di Beiming was stunned at first and then laughed out loud. He overexerted and accidentally exacerbated his internal injuries, coughing for a long time before he recovered. "Cough cough! Good! Black Thing, that nickname is good! That idiot matches the name Black Chicken perfectly!"

"Prince Charming, then are the two of you friends or enemies? Don't tell me you're 'good friends' who are in a love-hate relationship?" Yun Chujiu's eyes flashed with a gossipy light as she asked curiously.

"Of course we're enemies! That idiot keeps trying to defeat me, it's simply a fool's dream! Oh right, what does 'good friend' mean?"

Yun Chujiu did not dare to tell the truth, so she said vaguely, "Good friend just means good friend. Oh no, the water is all gone. I have to hurry out and put on my clothes!"

Yun Chujiu came out of the bathtub nonchalantly, wiped herself with a towel, and then began to slowly put on her clothes. This girl thought that since the gigolo's neck could not move, there was nothing to be afraid of!

Who would have thought that after Di Beiming took the pill, his neck could rotate slightly. Di Beiming subconsciously turned his neck and, yes, dyed the pillow with blood again!

Di Beiming wanted to turn his head away, but his neck could not move at this time. Coincidentally, when Yun Chujiu looked up, she saw Di Beiming staring at her with a bloody nose.

Yun Chujiu was also stunned!

Although she was quite thick-skinned, she could still be embarrassed!

Yun Chujiu's face was flushed red. She put on her clothes and pretended to be calm. "Prince Charming, if you want to see, just say it! Why did you have to sneak a peek?"

Di Beiming felt that that day was the saddest day in his life. His face turned red and then white. He gritted his teeth and said, "Why would I sneak a peek at you? HMPH! I was just...just looking at... Well, looking at the bathtub. Your bathtub is quite special!"
