

The Yun Family's Ninth Child is an Imp! Chapter 2636

When Yun Chujiu saw the guai Cao's appearance, she knew that he had a guilty conscience.

Yun chujiu did not have the time to curse at Guai Cao. She remembered that when she came here, many disciples had seen her. Someone would definitely report her for breaking into the forbidden area. It was better to leave quickly.

Just as Yun Chujiu was about to leave, she heard footsteps coming from outside. Her heart sank. Oh No!

No matter what sect she was in, trespassing into a forbidden area was a serious crime. What should she do? Should she hide inside the Great Void Mirror?

However, the people from the Hunyuan sect were not stupid. With just a glance, one could tell that the courtyard door had been opened by someone. Moreover, there were her footprints. No matter what, it was impossible to explain clearly. What should she do?

"Yun Chujiu, come out! You actually dared to trespass into a forbidden area. Wait for your punishment!"

"That's right. Do you want us to go in and catch you? Come out if you know what's good for you!"

..

Just as Yun Chujiu was getting anxious, she heard the door of a side room open. Someone said, "What's going on? Why did you trespass into the Forbidden Area?"

"Greetings, elder Li! I heard someone report that Yun Chujiu trespassed into this place. That's why I came here to check. Since you're here, it means that the information is wrong. We'll leave now."

“OK, leave! Don’t come near this place in case of danger.”

..

Yun Chujiu saw an old man standing in the middle of the courtyard through the crack in the door, and the disciples of Tianji Peak all left.

Yun chujiu couldn’t figure out elder Li’s intention, so why would he cover for her?

While Yun Chujiu was still confused, she saw elder Li take out a disk array and activate it. Then, he said, “Little girl, come out, it’s OK!”

Although Yun Chujiu did not know what elder Li meant, she had no other choice but to force herself to leave the house.

Elder Li’s expression was very gentle. “Little Girl, why did you come to this forbidden area for no reason?”

“I, I just wandered around and got lost. I made a big mistake out of curiosity. Thank you for covering for me.”Yun Chujiu said as she bowed.

Elder Li smiled. “You Little Girl, you’re really fearless. I like your character. You’re just in time. Come, help me.”

After elder Li finished speaking, he walked to the side room and pushed the door open.

Yun chujiu realized that after the door was pushed open, not a single speck of dust fell. This meant that this side room was often used by people.

Yun chujiu followed elder Li into the room. After elder Li closed the door, he took out another disk array and activated it, the gentle smile on his face turned into a sneer. "Yun Chujiu, you are really courting death. You actually came here. Do you want to end it yourself or do you want me to kill you?"

"Are you a member of the Divine Devil Hall?"

Elder Li saw that Yun Chujiu's face did not show any signs of panic and said with some surprise, "Why aren't you panicking at all? Don't tell me you know that I am a member of the Divine Devil Hall?"

"I didn't know before, but now I know.". As for why she was not panicking, the reason was very simple. Compared to dealing with those people from before, it was much easier to deal with you. After all, as long as I kill you and burn this place to ashes, no one will be able to trace it back to me!" Yun Chujiu said with a smile, her words were cold to the bone.

Elder Li was first stunned, then, he laughed sinisterly. "Smelly girl, you're really arrogant to the extreme! Kill me? You, a sixth level Ling Xuan, can kill me? I've already set up an array here, your talismans are useless, die!"
