

The Yun Family's Ninth Child is an Imp! Chapter 2637

After hearing elder Li's words, Yun chujia bared her little white teeth. "Who's dead and who's alive? Why don't we just try and find out? ! Look at the hidden weapons!"

As Yun Chujia said that, she threw a bag of things at elder Li. Elder Li raised his spiritual energy barrier and dodged to the side. The chili flew out, but it did not harm elder Li in the slightest.

Elder Li said disdainfully, "Stupid girl, your stupid chili pepper is useless against me. Not only is it useless against me, no one will fall for your trick in the future."

"Yo, I didn't expect that the people of the Divine Devil Hall would still improve!" ! Let Me Ask You, as an elder of the primordial chaos sect, why are you willing to work for the Divine Devil Hall? Are you out of your mind?" Yun chujia dodged elder Li's attack, she said with a cheeky smile on her face.

"Humph! It's my honor to serve my lord. How can ants like you understand? ! Cut the crap and accept your death!"

"TSK TSK, anyone with a brain knows that the Divine Devil Hall is not a good thing. You actually ruined your bright future and went to them. I advise you to turn back!"

"Shut up!"

"What? Are you moved by My Words? Let me tell you, the Divine Devil Hall is like a rabbit's tail that can't grow. The grasshopper after autumn won't be able to jump for more than a few days. You'd better hurry up and repent!"

"You're talking nonsense!"

“How am I talking nonsense? Let’s not talk about anything else. I’ve already jumped three continents, but didn’t your Divine Devil Hall still fail to kill me? “What does this mean? “This means that the divine devil hall is not tolerated by Tian Dao. Sooner or later, all of you will be completely finished!”

“You, you...”

“What do you mean by you? “You’ve already lived for so long in vain! “You actually chose a path of no return. You’re really stupid to the extreme! “If that BULLSH * t master of yours is really so powerful, why didn’t he take action and kill all of us? Instead, he let you punks come out and throw your lives away? “This can only mean that he is just bluffing. In fact, he is nothing!”

..

Elder Li’s heart was in a mess because of Yun Chujiu’s words. His attention was slightly distracted. Yun Chujiu’s eyes deepened. This was the moment!

Yun chujiu raised her hand and all five spiritual pets were released. Even the kittens joined the battle.

Xiao Hong howled and used her seductive voice. Xiao Mogu used her mycelium to wrap around elder Li’s arms while Xiao Hei used its claws to wrap around elder Li’s right foot.

Xiao Heiniaio shot a fireball at elder Li. Little Kitten knew that it was too weak, so it climbed onto the roof beam and began to shoot small fireballs at elder Li’s head. It was good enough to burn his hair.

Elder Li never dreamed that a person would have so many spiritual pets, so he was a little confused. A certain Jiu’s spiritual pets were more and more abnormal, so he couldn’t get rid of them.

How could yun chujiu let go of such an opportunity to attack? She waved her hands and several spiritual piglets pounced on elder Li.

Unfortunately, although elder Li's hands were trapped, he had a defensive spiritual device on him, and the spiritual piglets were blocked by the defensive barrier.

Moreover, elder Li had also managed to break free from Xiao Mogu's mycelium. Xiao Hei was also sent flying with a kick. This was the difference in strength!

"Stupid girl, I didn't expect you to have so many strange and strange spirit beasts. If I kill you, these will all belong to me!" Elder Li was aroused by the ferocity. His eyes were red as he attacked Yun Chujiu again.

Both sides were fighting. Although Yun Chujiu had the advantage in numbers, her strength was not enough. Yun chujiu could only grit her teeth and let Xiao Heiniaio use the curse technique.
