

The Yun Family's Ninth Child is an Imp! Chapter 2638

Just when elder Li felt that victory was within his grasp, he suddenly stumbled and the Cuties took the opportunity to trap elder Li again.

Yun Chujiu's attack was once again blocked by elder Li's defensive spiritual artifact. Yun chujiu secretly complained in her heart. She did not know what level of spiritual power this elder Li had, but he was actually so difficult to deal with. Could it be that he really could only hide in the great void mirror?

After a series of battles, not only was Yun chujiu injured, even Xiao Heiniaio and the others were injured to varying degrees. Xiao Mogu's mycelium was also broken many times.

Yun Chujiu was afraid that the silly cubs' lives were in danger, so she quickly put Xiao Heiniaio and the other four into the spiritual beast bag. However, she forgot about the kitten on the beam.

She forgot, but elder Li did not forget. That damned kitten specifically shot fireballs at his hair. It was really courting death!

Elder Li slapped the cat cub on the beam. By the time Yun Chujiu wanted to save it, it was already too late!

Yun Chujiu's heart was filled with pain and regret. How could she have forgotten about the cat cub? With a slap from elder Li, the Cat Cub would definitely not survive!

The Cat Cub let out a shrill cry and fell off the beam. Yun chujiu leaped over and caught the cat cub. She saw that the cat cub was almost turned into a specimen by elder Li's Slap!

The bones on its body were broken, and the corner of its mouth was full of blood. Yun Chujiu quickly took out a pill and stuffed it into the kitten's mouth, hoping to save its life.

Elder Li saw that Yun Chujiu's attention was on the kitten, so he slapped Yun Chujiu again.

Before Yun Chujiu could react, the kitten in her hand actually jumped up and took the slap on Yun Chujiu's behalf.

Elder Li used all his strength to hit the kitten. The Kitten was sent flying and crashed into the enchantment. Then, it collapsed on the ground and couldn't even scream.

"Humph! It's just a fire-breathing kitten. You really overestimate yourself!" Elder Li said disdainfully.

"Kitten!" Yun Chujiu's head buzzed. If the kitten had a chance to survive just now, it wouldn't be able to survive now!

Yun chujiu walked to the cat cub's side and sniffed. Sure enough, the cat cub was no longer breathing. Yun chujiu stood up and looked coldly at elder Li.

Elder Li pursed his lips. "Smelly girl, this is only the beginning. In a while, you will be able to reunite with that cat cub!"

Yun Chujiu had originally planned to hide in the great void mirror, but now she was filled with hatred. Today, she had to kill the person in front of her to avenge the cat cub.

Elder Li was frightened by Yun Chujiu's cold killing intent and took a few steps back. Then, he slapped Yun Chujiu in anger. What a joke, why would he be afraid of a stinky girl at the sixth level of the Lingxuan realm? !

Just as elder Li was thinking about it, he realized that Yun Chujiu's eyes were flashing with purple lightning. How, How was this possible? How could there be purple lightning in a person's eyes?

Elder Li felt that his consciousness was starting to lose focus. His eyelids became heavier and heavier. He tried his best to open his eyes, but he couldn't..

Yun Chujiu didn't know why elder Li would suddenly lose focus. Of course, she didn't have the time to think about the reason. She attacked elder Li fiercely and finally, after breaking through the spiritual energy barrier.., she used a large kitchen knife to chop off elder Li's head.

Yun chujiu walked to the front of the kitten dejectedly. Looking at the kitten that had been flattened, tears fell from her eyes. It was all her negligence that caused the kitten to die. If she could put it into the spiritual beast bag in time, it would not have died.

"Aim!"The kitten on the ground let out a weak cry.
