

The Yun Family's Ninth Child is an Imp! Chapter 2639

Yun Chujiu looked at the kitten on the ground in disbelief. Could it be that the kitten was not dead?

"Meow, it hurts so much!"The kitten whined.

"Kitten, You're Not Dead?"Yun chujiu asked in surprise.

"Of course I'm not dead! Master, I took a hit for you. You have to reward me with at least 100 dried fish,"the kitten said weakly.

Yun chujiu smiled with tears in her eyes, "How is a hundred enough? I'll reward you with two hundred!"

Although the kitten was not dead, it was severely injured. It would probably not be able to live for a few months. Yun chujiu blamed herself. She decided that the next time she was in danger, it was better not to let the kitten out. It was too weak now.

Yun Chujiu put the kitten into the Spiritual Beast Bag and found a jade plate engraved with the pattern of the spider lilies in elder Li's storage ring. She also found two array disks that were in operation.

Yun chujiu stopped the two array disks and put them into her storage ring.

The thing checked elder Li's storage ring again. When it saw the spiritual stones, it still held back. She let out the Xiao Heiniao and burned elder Li's body into ashes. There was only one storage ring left on the ground.

Yun chujiu walked out of the house, and it was already dark. She rolled her eyes, jumped onto the roof, and looked around.

She definitely couldn't take the way she came, because once she went out, she would be discovered. If she wanted to escape, she had to change directions.

Yun Chujiu looked behind Si Guo Ju. There was a cliff not far behind, and the opposite side of the cliff was very close to the Mulberry Garden. If she did not return to the dormitory at night, she could deal with it in the Mulberry Garden for a night.

At this moment, the voice transmission talisman began to vibrate.

Yun chujiu took it out and saw that it was Jin Zhi's. She could not help but raise the corners of her mouth. This beauty Jin Zhi was quite smart. She was afraid that her identity jade token would leave any traces, so she knew how to use the voice transmission talisman to communicate.

The content of Jin Zhi's voice transmission talisman was nothing more than worrying about Yun Chujiu and asking her where she had gone.

Yun chujiu blinked her eyes and said to Jin Zhi, "In order to take better care of the Snow Jade Silkworm, I will be taking care of the Snow Jade Silkworm in the Mulberry Garden tonight. Do you understand?"

Jin Zhi understood immediately. "I understand. If someone wants to ask, Bingyu and I will say so."

After Yun Chujiu put away the voice transmission talisman, she was about to burn the Siguo residence and escape from the cliff when the Guai Cao started to act again.

Seeing this, yun chujiu cursed angrily, "Gou WEIBA, are you done? If it weren't for you, would we be trapped here? If it weren't for you, would your kitten be seriously injured? What on earth do you want to Do?"

Gou WEIBA shook its leaves guiltily, but it still stubbornly signaled Yun Chujiu to go to the main room.

Yun Chujiu had no choice. She pushed open the door of the main room again and walked in.

Yun chujiu looked around but still didn't find anything strange. Just as she was about to scold guai Cao, Guai Cao suddenly took control of her body.

F * ck!

Gou WEIBA, just you wait!

It's not too late for little jiu to take revenge. Let's wait and see!

After Guai Cao gained control of her body, she walked to the wooden bed and sniffed around like a puppy.

Yun Chujiu was furious. In her heart, Guai Cao had risen to the top of the black ledger. Sooner or later, she would teach this shameless Gou Weiba a lesson!

After sniffing for a while, guai Cao excitedly moved the wooden bed away, but she did not find anything unusual. She even moved away the green stone slabs on the ground, but she did not find anything strange.

Guai Cao was jumping up and down anxiously. Yun chujiu saw that her body was like a monkey whose butt was on fire. She simply could not bear it!
