

The Yun Family's Ninth Child is an Imp! Chapter 2640

"Gou Weiba, get out here. I'll help you find it," Yun chujiu shouted sternly.

Gou Weiba's leaves trembled. After hesitating for a moment, he decided to return the control of his body to Yun Chujiu.

Yun chujiu did not have the time to settle the score with Guai Cao. She knew that Guai Cao must have smelled the fragrance near the bed, so she carefully observed the situation around the bed.

There did not seem to be anything unusual, and the green stone slab had already been lifted by the Guai Cao. So where did the fragrance come from?

Yun chujiu frowned. There must be something strange here. She frowned, and her eyes lit up when she remembered the empty room she had once met in the hall of the dead.

Yun chujiu carefully observed her own shadow. As expected, she found something strange in a corner. Although there was still some distance from the wooden bed, there should be a secret room under it. That thing might have been placed directly under the wooden bed, which was why Guai Cao mistakenly thought that it was under the bed.

Yun chujiu opened the disk array that she got from elder Li and threw a sudden crack talisman at the corner.

After a loud rumble, a secret door appeared in the corner.

Yun chujiu put away the formation plate, raised the spiritual energy barrier, and pushed open the secret door.

She didn't expect a huge suction force to come from under the secret door. A certain jiu rolled and crawled into it.

Yun chujiu fell to the ground with a thud. Fortunately, she was protected by the spiritual energy barrier, so she wasn't injured.

Yun chujiu stood up and took out the luminous pearl to illuminate. There were several steps leading to the top, and she rolled down from the steps.

Yun chujiu was very nervous. What was that suction force just now? There were still living things inside?

"Hey! which senior is trapped here? This junior is here to save you!"

This fellow was very shrewd. No matter what, he wanted to gain a good impression first.

However, no one returned.

Yun chujiu was in a tunnel. This fellow could only rely on his courage to continue walking forward. He had no choice but to do so. Guai Cao was acting like a demon in his dantian, and it seemed like he would come out to control his body again.

Drip! Drip!

Yun chujiu frowned. The sound of water? Why was there the sound of water dripping from below?

Yun chujiu happened to catch a glimpse of the stone walls on both sides of the tunnel, and she could not help but turn pale with fright. There was actually an exquisite mural drawn on the stone walls, but when she saw the contents of the mural, she was so frightened that she sat on the ground.

She saw that the mural depicted a woman, whose face was exactly the same as Yun Chujiu's!

The painting depicted a woman fighting with an old man. The old man was elder Li!

Yun chujiu swallowed her saliva and looked down. The painting below was Yun Chujiu holding a kitten and crying. The old man had died not far away.

Yun Chujiu felt a chill on her back. She looked down and saw Yun chujiu climbing to the roof and talking with a voice transmission talisman.

Yun Chujiu's hand holding the luminous pearl was trembling. People were always afraid of the unknown. This was too unbelievable. Even if someone had just seen her every move.., it was impossible to draw it immediately.

Moreover, the murals on it seemed to have been there for a very, very long time. What was going on?

Yun chujiu forced herself to calm down. She had already gone through countless storms. Would she be scared by the small murals?

Yun Chujiu had a flash of inspiration in her mind. She turned the luminous pearl onto the stone wall on the right. The contents on the wall shocked Yun chujiu even more. The luminous pearl in her hand fell to the ground..
