

The Yun Family's Ninth Child is an Imp! Chapter 265

Yun Chujiu tidied up the bed before placing Di Beiming on the outer side of the bed.

She straightened out the bed and climbed to the inner corner.

Di Beiming saw that she was mumbling something and frowned. "Black Thing, what are you talking about? Are you secretly scolding me?"

Yun Chujiu pouted and thought to herself, 'So what if I'm scolding you? You're now a paper tiger. You can't do anything to me.'

However, when she thought of what happened during the day, she turned around and looked at Di Beiming with bright eyes. "Prince Charming, how can I do such an ungrateful thing! Oh right, why did you decide to save me?"

Di Beiming raised his eyebrows. "I've mentioned before that your blood is useful to me!"

"Hasn't it been a year? Your illness should've been cleared, right? I don't think you need my blood anymore!" Yun Chujiu blinked her eyes.

Di Beiming snorted awkwardly. "Although the poison has been cleared, your blood is very beneficial to me. Naturally, I can't bear to let such a precious spiritual herb like you die!"

"Oh, so that's how it is! I thought you liked me! Thank goodness! If you really liked me, I'd still..." Yun Chujiu did not complete her sentence. Instead, she laid back on the bed disappointedly and did not speak anymore.

When Di Beiming saw that Yun Chujiu did not speak anymore, he felt extremely uncomfortable. What did the black thing want to say next? In the end, Di Beiming could not help but cough dryly and said, "You'd still...what?"

Yun Chujiu said gloomily, "I'm sleeping!"

Di Beiming choked and snorted coldly. "If you don't want to say it, then don't say it. Stop daydreaming! Why would I like you! HMPH!"

Yun Chujiu did not say anything. She cursed in her heart. What an annoying gigolo! 'If you don't like me, then don't. What's the big deal?! If it wasn't for the fact that you worked so hard to save me, I wouldn't have bothered to talk to you! A gigolo like you begging me on your knees. Hmm... Actually, I can still consider it!'

Seeing that Yun Chujiu did not speak, Di Beiming felt a little regretful in his heart. However, since he had already said it, he naturally did not have the reason to take it back. He added awkwardly, "Actually, you've become a lot fairer now!"

Ever since Yun Chujiu came back, she had not looked at herself in the mirror. When she heard Di Beiming say that, she immediately climbed down from the bed, lit a candle, and ran in front of the mirror to take a look!

"Oh my, who is this little beauty in the mirror?"

"Mirror, mirror, quickly tell me. Who is the most beautiful person in Spirit Radiance Sect?"

"Yun Chujiu! Yun Chujiu! Yun Chujiu is the most beautiful person in Spirit Radiance Sect!" Yun Chujiu pinched her throat and answered herself.

She usually never asked others for help when she could do things on her own. Therefore, she did not feel embarrassed at all even when she was playing two roles.

The corner of Di Beiming's eyes twitched slightly. Was the black thing going crazy?!

Yun Chujiu wiggled in front of the mirror and praised herself a bunch before returning to the bed.

“Prince Charming, let me tell you. It's useless even if you regret saying that you like me now!

“The current me is different from the past. I was almost mesmerized by my own beauty!

In the future, those who pursue me will probably line up from Spirit Radiance Sect all the way to Ye City! I, Yun Chujiu, now have both beauty and spiritual power. La la la, my life will be different from now on!” Yun Chujiu said proudly.
