

## The Yun Family's Ninth Child is an Imp! Chapter 2654

Yun chujiu sighed. She could ask the three birds in her Dantian to spit out some more lightning spiritual power for cultivation, but it was not a long-term solution.

Moreover, Xiao Heiniaoy and Xiao Mogu also needed the power of lightning. How could they be struck by lightning?

This was a very sad topic!

Thus, a certain Jiu began to stroll around the origin chaos sect.

This fellow's motive was obvious. He wanted to find a way to be struck by lightning. Or perhaps he could find a divine artifact like the Heavenly Dao Cliff. After hooking up, he would think of a way to get two heavenly lightning strikes.

The people of the primordial chaos sect did not know Yun Chujiu's motive. They only thought that she was temperamental and that was why she wandered around.

A month later, other than some places that could not be entered, this fellow had gone around and found nothing.

He rubbed his chin and pondered for a moment. She could not enter any forbidden places. Could it be that she could only make the three in her Dantian spit out some lightning power?

Just as he was frowning, he overheard the conversation of a few disciples.

"Senior brother Bian Chen has returned from the meditation cave. I heard that it was because of Yun Chujiu and the others' test that senior brother Bian Chen was punished. Now that he has come out, he probably won't have a good ending for Yun Chujiu."

“That’s for sure! Senior Brother Bian Chen is a true disciple. Wouldn’t it be easy for him to take care of a handyman? !”

“If I were senior brother Bian Chen, I would also teach that Yun chujiu a lesson. Senior Brother Bian Chen was sent to the tenth reflection cave. In the tenth reflection cave, other than the harsh environment, there are also wind blades attacking. The most fatal thing is that there are occasional heavenly lightning punishments. Even senior brother Bian Chen probably suffered a lot.”

..

A certain Jiu’s eyes sparkled. Heavenly Lightning punishments? Aiyo! It was truly a waste of time and effort to search for it! It seemed that she needed to understand the meditation cave properly.

In the “Encyclopedia of Mixed Origin sect affairs”, there was no detailed description of the meditation cave. It only said that the bigger the number, the harsher the punishment inside the meditation cave. This fellow rolled her eyes, the one who understood the cave of reflection the most was naturally the law enforcement office.

Therefore, this guy swaggered to the law enforcement office.

The disciples of the law enforcement office had a deep impression of Yun Chujiu. They were all stunned when they saw her coming. What was this Yun Chujiu doing here? Could it be that she wanted to report someone?

“Hello, Senior Brothers. I’m looking for manager Zhong. May I know where he works?”Yun Chujiu said with a smile.

The Disciples of the law enforcement department were not used to Yun chujiu’s kind expression. They were stunned for a moment before one of the disciples said, “Manager Zhong works in the third room on the right.”

Yun chujiu thanked the disciple who spoke with a smile and then jumped outside of manager Zhong's room.

Manager Zhong was really surprised to see Yun chujiu come in. He didn't know whether it was because of a guilty conscience or some other reason, but he actually stood up nervously.

"Yun, Yun Chujiu, what are you doing here?"

"I'm here to chat with you. We are old acquaintances. Don't be nervous. Sit Down and let's have a good chat." Yun Chujiu pulled a chair over and sat on it with her legs crossed.

Manager Zhong felt that Yun Chujiu had bad intentions. He said with a cold face, "I'm in the middle of work. I don't have time to chat. You Can Leave Now!"

"I didn't say that I was chatting with you. I have something serious to ask you." "Tell me about the specific situation of the meditation cave so that I can be mentally prepared. Otherwise, if I'm not careful, I'll be punished to go to the meditation cave with a big number. It'll be troublesome." Yun chujiu was still smiling, it was really like chatting with an old friend.
