

## The Yun Family's Ninth Child is an Imp! Chapter 2657

If it wasn't for Ye Bingying, who was hiding in the crowd, calling the people from the law enforcement department over, Mu Wu would probably die here.

When the disciples from the law enforcement department saw that it was Yun chujiu who had committed a crime, their heads hurt a little. The last time, this person had managed to get away with the crime. They didn't know what kind of trick she was going to play this time.

Especially when they saw that Mu Wu was beaten to a pulp, they thought to themselves, could it be that this Yun Chujiu was crazy? She actually beat an inner sect disciple to such a state?

When Mu Wu saw the law enforcement disciples coming over, he shouted with Snot and tears in his eyes, "Help! Help! This Yun Chujiu beat up a fellow disciple. Hurry up and tie her up."

When the law-enforcing disciples saw Mu Wu's honor, they could not help but feel a little disgusted. Moreover, he had a commanding tone, which made them feel even more displeased. Therefore, they turned a blind eye to the fact that Yun Chujiu beat up Mu Wu twice in front of them.

"Both parties involved, come with us!"

After Mu Wu was released from the confinement of his spiritual power, he looked at Yun chujiu with his red eyes. He wanted to kill Yun chujiu to vent his anger, but he did not dare to openly violate the sect rules. He gritted his teeth and decided to wait and see in the future.

The law enforcement disciples escorted the two of them to the law enforcement office, followed by a large group of disciples.

They felt that ever since Yun Chujiu entered the primordial chaos sect, they could have some fun to watch every two to three days. It was really not bad.

Everyone left in a huff. Old Man Yao Thought for a moment and followed behind them with his hands behind his back.

Fatty song and Fatty Luo curled their lips when they saw this. Why was this old man following them? Did a good-for-nothing think that he was so capable!

Coincidentally, manager Zhong was still on duty today.

Manager Zhong thought of what that person had said to him and gritted his teeth. He had lost face last time, so he had to get it back this time. Moreover, this time, the evidence was conclusive, so she couldn't deny it even if she wanted to.

"Yun Chujiu, you beat up a fellow disciple in public. Do You Know Your Crime? !"

"Yes, I know my crime."

"Don't even think about denying it. In front of everyone, it's not like you can deny it... What? You Know Your Crime?" Manager Zhong said halfway before he realized that Yun Chujiu actually said that she knew her crime. was there something wrong with her brain?

"Yes, I admit that I beat up that bastard. Who asked him to extort my spirit stones?" Yun chujiu straightened her back and said righteously.

"Even if there's something wrong with him, you shouldn't hit him. "According to the tenth rule of the sect, you will be punished with one year's worth of sect resources, and you will be locked up in No. 8 to meditate for three months." Manager Zhong said in a businesslike manner.

“Are you stupid? It was this B \* Stard who provoked me first. Shouldn't I resist?” Yun chujiu pointed at manager Zhong's nose and scolded.

Manager Zhong didn't know that Yun Chujiu was planning to make a big deal out of this. At the very least, she had to go to the No. 10 Reflection Cave. What was the point of going to the No. 8 Reflection Cave? !

“You, how dare you! You publicly insulted your fellow disciple and added another month of reflection!” Manager Zhong said angrily.

Yun Chujiu was angry. Can you be a little more bold? You only added one month of strength, but you raised the level of the reflection cave! She was so worried!

It seemed that she had to do something. Otherwise, she might not be able to achieve her goal of going to the tenth meditation cave.

“Humph! I finally understand now. It turns out that you two are like a nest of snakes and rats. You're all the same! Is it that bastard who extorted my spiritual stones and wants to give you half of them? He's simply going too far. Today, I'll let you see how powerful I am.”

After saying that, Yun Chujiu threw a crack talisman at manager Zhong's desk..
