

The Yun Family's Ninth Child is an Imp! Chapter 2658

Boom!

Manager Zhong's desk was blown into pieces. Although manager Zhong dodged it, he was still in a very sorry state. His hair was about to stand up in anger.

Yun chujiu thought to herself, "Aiyo, it seems that there is such a thing as being angry."

Everyone was shocked by this unexpected turn of events. Was this Yun chujiu crazy?

Even Ye Bingyu and Jin Zhi did not expect that Yun chujiu would blow up manager Zhong's desk. What did little jiu want to do?

Manager Zhong was about to go crazy from anger!

"You, you, I originally thought that you had just entered the sect and punished you to go to the No. 8 Reflection Cave, but I did not expect you to be so willful. Then go to the No. 10 Reflection Cave!"

Yun chujiu jumped and shouted, "I refuse to accept it! I refuse to accept it! This is official vindictiveness, you shameless bastard!"

"Take her away. Bring her to the tenth meditation cave immediately. The deadline is four months!" Manager Zhong was furious and ordered his men to take Yun chujiu away quickly.

Yun chujiu shouted, "Even if I admit defeat, what about that Mu Wu? If he didn't come to find trouble with me shamelessly, would I have made a mistake?"

Manager Zhong's mind was full of anger. When he heard Yun Chujiu's words, he said, "Mu Wu provoked me for no reason and was punished with a year's worth of sect resources. If he commits a crime again, he will definitely be severely punished."

"Tch! This punishment is like a forfeit. They are indeed colluding with each other." Yun chujiu muttered unwillingly.

Manager Zhong felt his head hurt just by looking at her. He waved his hand repeatedly and let her go.

Jin Zhi and ye Bingyu were anxious and wanted to go forward to argue. Yun chujiu gave them a look that said, "Calm down." Although the two of them did not understand what Yun chujiu was up to, they were used to listening to Yun Chujiu's arrangements, they could only watch Yun chujiu being taken away.

Old Man Yao watched from the corner with his hands behind his back. He raised his left foot and put it down again. Then, he shook his head and left.

The disciples who were eating melon seeds shone with the light of gossip and discussed among themselves.

"I think that Yun Chujiu will lose half of her life this time. That is the number ten reflection cave. Moreover, it will last for four months. How can she hold on?!"

"This is all her own doing. If she didn't blow up manager Zhong's desk, she wouldn't have been punished to the number 10 reflection cave."

"TSK tsk, I have to say, this Yun Chujiu is really too bold!"

..

Jin Zhi and ye Bingyu became even more worried when they heard the crowd's discussion, but they could only listen to Yun Chujiu's arrangements. Just as they were worried, Jin Zhi's identity jade tablet started to vibrate, and Yun Chujiu's voice came from inside, there were only two words, "Don't read it."

Jin Zhi frowned. It seemed like little jiu made such a fuss on purpose. Could it be that her goal was to meditate?

On the other side, Yun Chujiu did not stop talking along the way.

"Sigh, I'm really wronged! I'm really sitting at home behind closed doors, and trouble comes from the sky. I'm so unlucky!"

"I'm telling you, stay away from that manager Zhong in the future. Someone like him who uses his power for personal gain will get into trouble sooner or later."

"Don't you feel that I'm quite wronged? I only hit that Mu Wu a few times. Is there a need to punish me so severely? When I come out of the cave of reflection, I'll still hit him."

..

Those law enforcement disciples kept quiet. They thought to themselves, 'still want to hit him??' 'It's not certain if you can come out alive!! The cave of reflection on the tenth was not a joke. Moreover, it would take four months. Even if a weak chicken like her did not die, she would still be skinned alive.

However, they didn't have any friendship with Yun chujiu, so they naturally wouldn't say anything.
