

The Yun Family's Ninth Child is an Imp! Chapter 266

"Hmph! You're just slightly better and suddenly you become most beautiful person in Spirit Radiance Sect? How shameless! I've never seen someone as thick-skinned as you!" Di Beiming's heart ached when he thought of other men approaching Yun Chujiu.

"So what if I'm thick-skinned? What does it have to do with you? From now on, I'll be the most beautiful person in Spirit Radiance Sect! HMPH!"

"You! You!" Di Beiming was so angry that he almost fainted. He said angrily, "Black Thing, in the future, I'll kill all the men who approaches you. I'll see who dares to come near you!"

"Hmph! Then I'll go and look for Brother Wuji. Brother Wuji isn't afraid of you! Brother Wuji was quite generous with me, and he's better-looking than you!" Yun Chujiu said proudly.

"Good! Good! I knew that the relationship between you and that red-robed fool was not that simple! Black Thing, it's best if you kill me now. Otherwise, when I'm better, I'll definitely kill you and that red-robed fool with my own hands!" Di Beiming's eyes were red and he was obviously extremely angry.

Yun Chujiu shrugged her shoulders. "Tsk, who are you trying to scare?! If you have the ability, then hurry up and get better. Otherwise, when you're done, Brother Wuji and I will have long been together!"

When Di Beiming thought of Xue Wuji Hugging Yun Chujiu, he almost spat out a mouthful of blood. 'The Black Thing is mine. Anyone who dares to snatch her from me will die!'

If Xue Wuji was in front of him right now, he would probably want to slap him to death to vent his anger.

When Yun Chujiu saw that Di Beiming was so angry that his facial features were almost deformed, she felt a trace of guilt in her heart. The gigolo was a wounded man, and he was injured because he saved her. Was it not a little too much for her to say that?!

Just as Yun Chujiu was about to say something to ease the tension, Di Beiming gritted his teeth and said, “Black Thing, do you think that I’m angry because I care about you? In fact, I just don’t like my things being touched by others!

“There are many women who like this venerable self, and there are countless women who are more beautiful than you!

“I’ve not visited in such a long time because I went back to pick myself a concubine! The women in Tianyuan continent are much more outstanding than you. They’re both beautiful and virtuous. When they heard that I was going to pick my concubines, all of them cried and begged me...”

Di Beiming’s words stopped abruptly because he was kicked off the bed by Yun Chujiu!

Although a certain supreme-being did not fall or get hurt, he was kicked off the bed by someone. That really hurt his self-esteem.

However, there was nothing he could do. One could imagine the anger and grievance in his heart.

Yun Chujiu angrily spread a few quilts on the ground and then put Di Beiming on it. “Shut up! Otherwise, I’ll sew your mouth shut with a needle and thread!”

“Black Thing, how dare you?!” Di Beiming hated the fact that there was nothing he could do. Otherwise, he would definitely strangle that black thing to death.

“HMPH! I have to say it! Some of those women were fat and some were skinny. They come in all sizes. But one thing’s for sure, they are much stronger than your black bean sprout— Hnngg... Hnggg...”

Di Beiming could not continue because in a moment of desperation, Yun Chujiu had used her mouth to block Di Beiming's mouth!

Both of them were stunned!

Yun Chujiu felt so stupid!

Di Beiming seemed to have opened the door to a new world!

For a moment, the temperature in the room seemed to have risen by a few degrees.

After a while, Yun Chujiu returned to her bed dejectedly and covered her head with the blanket. 'Damn, that was so embarrassing! I actually forced myself to kiss a gigolo!'
