

The Yun Family's Ninth Child is an Imp! Chapter 2661

"Master, it's one thing for you to dig your own hole, but for you to dig someone else's hole, aren't you afraid that the sect will teach you a lesson?" Xiao Heiniaoyang felt that she had broken her heart for this black-hearted master.

"What's there to be afraid of? ! There's no rule in the sect rules that forbids you from digging your own hole! At most, you can punish me for thinking about it, that's what I'm looking forward to!" A certain jiu continued to dig.

"What if you run into another disciple? What if you coincidentally dig a hole and he thinks about it inside?"

A certain Jiu's movements paused. That's right, what if she ran into someone else?

"Who cares! How can we run into each other so coincidentally? ! Let's dig first before we talk." A certain jiu continued to dig.

A certain Jiu's thoughts were quite simple. She thought that the hole and the hole shouldn't be too far apart. Who would have thought that even after two days of digging, she still couldn't dig to the end.

Now, this fellow was riding a tiger and could not get down. If she did not dig ahead, all her previous efforts would be wasted. Let's dig ahead. She did not know if there were other thought holes ahead.

Gritting her teeth, she could only continue digging!

After digging for another two days, when a certain Jiu climbed out, she was so angry that she wanted to bang her head against the wall!

In front of her was a lush forest. It was obvious that she had already left the area of the thought hole.

Oh My God!

Why did she dig it out just like that?

She really didn't want to escape from prison!

She looked around and saw that there was no one around before she crawled out of the cave. It wasn't easy to dig it out, so it was good to get some fresh air.

A certain jiu was stretching and enjoying the fresh air when someone coughed.

A certain jiu almost collapsed in fright. She turned around and saw that it was old man Yao.

Old Man Yao was holding a small shovel in his hand and a wild vegetable in his hand. He was looking at her in a daze..

A certain jiu coughed dryly. "That, that, old man Yao, what a coincidence. We are fated to meet each other! We are fated to not meet each other, so I came out to get some fresh air."

Old Man Yao followed Yun Chujiu's gaze and looked at the dog hole. He then looked at Yun Chujiu and asked with a stiff face, "That, that is the reflection cave?"

Since when did the reflection hole become a dog hole? He could enter and exit as he pleased?

Yun chujiu rubbed her hands and laughed dryly, "I just dug casually. Who would have thought that I would come here? This is all a misunderstanding, a misunderstanding. Are you digging wild vegetables? Do you want to go to the reflection hole with me?"

The corner of Old Man Yao's eyes twitched violently. From what she said, why did it feel like the reflection hole was like her living room? ! Who in their right mind would sit in the cave of Reflection for no reason? !

The two of them fell into an awkward silence for a while. Old Man Yao pointed at the entrance of the cave. "Go back quickly. I'll help you seal the entrance of the cave so that no one will find out. Stop fooling around. Four months will pass very soon."

Yun chujju blinked her eyes and took out a wine gourd from her storage ring. She giggled. "This is the hush money, Hehe."

Old Man Yao glared at her, but he still took the wine gourd and sighed. "There's a limit to what you can do. Don't dig anymore! The cave of reflection has existed for tens of thousands of years. If you destroy it, the higher-ups will not forgive you!"

"Don't worry, I will fill it up. Well, I will go back now. See You Later!" After Yun Chujju said that, she went into the cave and waved her claws at old man Yao.

Old Man Yao shook his head speechlessly. He walked to the cave and saw that the cave was sealed with stones. He couldn't help but smile. This little girl was prepared.
