

The Yun Family's Ninth Child is an Imp! Chapter 2669

Jin Maohou roared in anger, but it was useless to Yun Chujiu.

“You’d better save your strength! No matter how loud you shout, it’s useless to me. Get lost! I’m going to build a door!” Yun chujiu waved her claws in disgust.

Jin Maohou was so angry that his hair was standing on end. With a roar, he pounced on Yun Chujiu again.

“Look at the hidden weapon!”

Jin Maohou thought to himself that this little ant must be lying to him again, so he used his claws to slap it. Yes, he was once again smacked by the Chili Face.

Jin Maohou, who was covered in tears, once again heard the little girl’s arrogant laughter. “Emma, this is the first time I’ve Met a demon beast as stupid as you!”

F * ck, it was simply impossible to guard against!

Yun chujiu took advantage of Jin Maohou’s Snot and tears to continue building the door.

The disciple in charge of guarding outside the forbidden area noticed that the black tower was trembling again. This time, he was careful and called all the people in charge of guarding to look at it together.

Everyone rubbed their eyes. Oh God, the Black Tower was really trembling!

The leader quickly reported the news to the higher-ups. Soon, Master Baili and the six peak masters rushed over.

However, when they arrived, the black tower had already stopped trembling.

This time, because many people had seen it, there was naturally no question of whether their eyesight was good or not.

Mountain master he touched his nose guiltily, as if he had wronged the previous disciple.

Regarding the reason why the black tower was trembling, everyone guessed, could it be that the black tower was going to sink into the ground again?

As for Yun Chujiu, they could basically determine that the little girl was already dead. However, this was all her own doing and could not be blamed on others.

At this moment, a certain jiu, who was playing tricks, was engaging in a prolonged battle with Jin Maohou.

Jin Maohou had learned a lesson. No matter what Yun Chujiu threw, it would dodge to avoid being fooled again. However, this way, its attack would be restricted. In addition, Yun Chujiu was as slippery as a little loach, so it could not catch her at all.

“Hey! We can’t continue like this. We won’t be able to determine the winner in a short time. Don’t you think this is a waste of your life? How about we decide the winner with one move?” Yun Chujiu said with a smile while dodging.

Jin Maohou was already impatient. Hearing Yun Chujiu’s words, it stopped its attack and widened its eyes to listen to Yun Chujiu’s follow-up.

“Let’s compete to see who can jump farther. If you can’t jump as far as I can, you’d better stay at the side obediently and don’t disturb me while I’m building the door. If I can’t jump as far as you can, I’ll let you eat me obediently. How about it? Do You Dare?”

Jin Maohou curled its lips in disdain. It didn’t dare? Could it be that its four legs couldn’t jump over her two legs?

“Alright, since you agree, let’s begin! You Won’t go back on your word, right?”

Jin maohou growled in disdain. Apparently, he felt that Yun Chujiu’s question was simply insulting him.

“Alright, then I’ll jump. Watch carefully!”

Yun Chujiu drew a line on the ground and then leaped lightly, jumping about 30 feet.

Jin Maohou simply scoffed. This little noob jumped so close, and she actually had the nerve to compete with it? Even with half of its strength, it could jump farther than her.

Jin Maohou raised its neck and was about to walk to the starting point of Yun Chujiu’s jump when Yun Chujiu said,

“Hey! Do you dare to jump somewhere else?”

Jin maohou growled in disdain. Wherever it jumped, it could beat that little human weakling.

Then, it saw that little human weakling draw a line one foot away from the wall. “Hey, you jump! Jump in the direction of the wall!”

Jin Maohou: "..."
