

The Yun Family's Ninth Child is an Imp! Chapter 2675

Yun chujiu saw that the Merman was in so much pain, so she quickly said, "If you can't say it, then don't say it. What did you tell me to be careful of last time?"

"You have to be careful of Lan..."

Before the Merman could say anything, his body faded again and then disappeared!

Lan?

Lan What? The name of a place or a person? Or the name of a force? Or was it something else?

Or was it south? Difficult?

Yun chujiu couldn't figure it out no matter how hard she tried. At this moment, the corpse-like Qi Ling came to life!

Qi Ling threw herself in front of the poisonous spring and fainted again with a choking sound.

Yun chujiu took out the ten-thousand-year-old black iron chain and tied up the miserable Qi Ling tightly. This Qi Ling looked like a human old man, but it was only three feet tall.

Qi Ling opened her eyes again and found that she was tied up, she burst into tears. "You Damned Girl! I'm the Qi Ling of the Shura Prison! Many mighty figures died here in the past, but I didn't expect that I would be bullied so miserably by you!"

I was sleeping underground, but you woke me up with an explosion! It was fine if I woke up with an explosion! You even stole my corpse collection! Not only that, you even chopped my pagoda body into pieces!

You also wanted to abduct my remnant soul. The most hateful thing is that you drank all of my Shura Spring. How am I going to live in the future? !”

Yun chujiu touched her nose. It sounded quite pitiful, however, “Hey, Qi Ling, if you didn’t bring me in, wouldn’t there be so many things going on? So the main culprit is still you! This is called throwing a stone at your own feet.”

Yun Chujiu’s words were like a handful of salty salt sprinkled on the Qi Ling’s wound. Qi ling was sobbing so much that she was about to cramp up!

“Alright, we are all thousand-year-old foxes. Let’s not play ghost stories here! Tell me, will you let me out or not? If not, I will make my own door!”

Qi Ling saw that Yun Chujiu took out a big kitchen knife again and said hurriedly, “Little girl, let’s talk about it. Let’s talk about it! So, this kitchen knife of yours is the Xingtian Godly Axe, right? How did you get it?”

“I took it from a kitchen casually. Is this really the Heaven Punisher Divine Axe?”

Qi Ling rolled her eyes. Didn’t they say that the heavenly thunder spirit root was not tolerated by the Heavenly Dao? Why did this little girl get the Heaven Punisher Divine Axe so easily?

Although there were still a few divine weapons in the world, most of them were not divine weapons that could attack people. Many of them were existences like pagodas or cliffs, yet the Heaven Punisher Divine Axe was actually taken by her just like that. It was really unreasonable!

“Then, how did you get those remnant souls?” Qi Ling asked, almost biting her back teeth.

“That’s even simpler! Just like what you saw, I told them that the outside world was very exciting, and they followed me! Just now, if it wasn’t for your quick action, your remnant souls would have followed me.”

Qi ling choked and fainted again!

She didn’t want to hit others in the face. By saying that, she simply didn’t want it to live anymore!

Yun Chujiu took out a basin of cold water and poured it on Qi Ling. Qi ling, who had been drenched like a drowned rat, cried out again, “Stupid girl, do you know where this is? This is Asura prison! Asura prison, do you know?”

“If this was in ancient times, even mighty figures would be afraid of this place, okay? “How dare you treat me like this? You’re not a human! “You’re just a pervert!”

Yun chujiu curled her lips in disdain. “Asura prison? How dare you call this place Asura prison? Did I just barge into Asura prison? I didn’t even put in any effort, Alright?”
