

## The Yun Family's Ninth Child is an Imp! Chapter 2676

Qi Ling felt that he had received another 10,000 critical hits, he almost roared, "That's because you're sick! Besides, the difficulty of this Asura prison is matched with the spiritual power of a human. You're so weak, so of course the test isn't that difficult!"

Wu Wu, but in the end, it's still because you're sick, My Asura spring! You Pay for My Shura Spring! I should never have used the Shura Spring to deal with You, My Shura Spring!"

"Oh Right, Qi Ling, let me ask you, who are those corpses that I've collected? If you tell me, I'll be kind enough to return some of the Shura Spring to you."

Qi Ling's eyes flickered. "Those corpses are the corpses that came in to participate in the test. They're ancient cultivators! What other identities can they have? ! I've already told you, quickly return the Shura Spring to me!"

"Bah! You're lying! It seems that you're not willing to tell me. How about this, I'll settle for the second best. You give me something good, and I'll return the Shura Spring to you."

Something Good?

Qi Ling felt that the best thing it had was the Shura Spring!

Just as Qi Ling was about to cry about being poor, he heard Yun chujiu say, "Give me the storage rings of those people!"

"Let go of me first, and I'll give it to you," Qi Ling said with a twinkle in its eyes.

"Swear on your inner demon first, and then I'll let you go." Yun chujiu looked at Qi Ling with a smile. She wanted to play tricks with her, but in her dreams!

Qi Ling felt stifled. Why was this black-hearted person so scheming? It could not be deceived!

It could only swear on its inner demon before Yun chujiu let it go.

Qi Ling took out a bunch of storage rings and said, "It's all here. Return the Shura Spring to me!"

Yun chujiu picked up a few of them and looked at them. There was nothing valuable in them. There were only some spirit tools that were not very valuable. The highest-grade spirit tool was only an upper-grade spirit tool.

However, even the legs of a mosquito were made of meat. Qi Ling looked like a crybaby, but he was actually very scheming. How could the Shura Prison's Qi Ling Be a fool?

After Yun Chujiu put away the ring, she said to the Qi ling, "Alright, we're even. Now let me out!"

Qi Ling:" ..."

Are You Shameless? Where's the Shura Spring?

"Stinky, Little Girl, didn't you say that I gave you good things and you gave me the Shura Spring?"

"Yes, I said that, but what you gave me wasn't good! Cut the crap. I'll tell you openly that I can't give you the Shura Spring. If you continue to Dawdle, I'll create a door!"!

"Besides, you've already made a mental demon oath just now. If you don't want to die, then hurry up!"Yun Chujiu said impatiently while holding the large kitchen knife.

Qi ling simply felt that there was nothing left to live for!

It was simply having eight lifetimes of bad luck before meeting her. No, it was 80,000 lifetimes of bad luck!

“Little girl, no, Little Fairy, little ancestor, great aunt, you can at least give me a drop, so that I can slowly grow the poisonous spring. Count it as I’m begging you, okay?” Qi Ling repeatedly kowtowed with his hands folded in front, snot running down his nose as he begged with tears streaming down his face.

“Put away this set of yours. If you want it, you can give it to me in exchange!” Yun Chujiu was a black lotus, so she would not fall for Qi Ling’s set.

Qi Ling had no choice but to take out a sheepskin scroll and a jade token and hand it to Yun Chujiu. “Grand aunt, this is the best thing I have. Other than this, I really don’t have anything else!”

Yun Chujiu took it and looked at it. It was the same as what she had gotten from the trial tower. Perhaps it would be a great treasure if she gathered it. It was not bad.

Yun chujiu persuaded Guai Cao to spit out a drop of Shura Spring and returned it to Qi Ling.

This time, there was no need for Yun Chujiu to say it. Qi Ling could not wait to send Yun chujiu out. What a joke. If she did not send her out, she might have to scrape the ground again!

Master Baili and the others were staring at the black tower that was shaking non-stop with their mouths Agape. Then, they saw a little girl constantly cursing and being bounced out..
