

The Yun Family's Ninth Child is an Imp! Chapter 2678

The Silly Cuties inside Yun Chujiu's spirit beast pouch all had stiff expressions as they listened to Yun Chujiu's nonsense. Was she afraid? She was lying!

Mountain master he and the others did not suspect anything. Even if they were to suddenly enter that kind of environment, they would still feel fear.

"What happened after that?" Mountain master he asked.

"After that, I saw that the corpses were all fixed to the stone wall and would not harm me. That was why I relaxed a little. However, I could not find the exit even after searching for a long time, so I could only stay on that level. "Fortunately, I have food and drink on me, so I'm not hungry." Yun Chujiu said happily.

The corners of everyone's eyes twitched. You're missing the point, okay? Who asked if you're Hungry?

"Continue," mountain master he urged impatiently.

"I think it's been a long time. Anyway, after I woke up, I was no longer on that level. Guess where I am now?" Yun Chujiu said mysteriously.

Everyone was already speechless. How could she still be able to fall asleep in such a dangerous place? How Strange! ! No one paid attention to her. She had already made a big mistake, yet she was still keeping them guessing? !

Seeing that no one was talking to her, Yun Chujiu continued to say embarrassedly, "When I woke up, I realized that I was actually in the Netherworld! That King of Hell was old and fierce, and his eyes were like copper bells!

There were also ox heads and horse faces that were very scary, but that was nothing. There were screams all around me. Some were put into the pot of oil, some were dug out of their hearts, and some were cut into pieces. I was so scared that I fainted.”

When everyone heard that, their expressions changed. The Netherworld? Could it be that the asura prison was really connected to the netherworld? Everyone was extremely curious, but Yun Chujiu didn't say anything at this time.

“What's next?” Mountain master he had a quick temper. Seeing that Yun Chujiu didn't say anything, he asked anxiously.

Yun chujiu laughed dryly. “Your Disciple's mouth is a little dry. Can you give me a cup of tea to drink first?”

Mountain master he was so angry that he almost threw the teapot on her face. However, he was anxious to know what happened next, so he could only personally pour her a cup of tea.

After Yun chujiu sipped a cup of tea, she said, “That King of Hell said that I have committed a grave sin in killing. He wants me to endure all the torture in the eighteen levels of hell. Ah, no, it's a cycle of suffering!

“Do you think that the King of Hell is sick? “Which cultivator hasn't killed before? “According to him, wouldn't all cultivators have to go to Hell when they die? “What nonsense!”

Everyone nodded repeatedly. They felt that what Yun Chujiu said was right. If it was really a sin of killing, they would be much heavier than Yun chujiu. Wouldn't it be even worse?

“However, the situation is stronger than the person. I don't dare to really point at Yama's nose and scold him. I don't want to really be tortured, so I thought of a way to delay it. I asked the judge to recite the names of all the people I've killed. The time, place, and reason must all be clearly stated.

“That Judge produced a three-foot-tall book of sins. I also caused trouble from time to time. In the end, cough cough, that Judge was so tired that he fainted while foaming at the mouth.”Yun chujui coughed twice and said while touching her nose.

Everyone’s faces stiffened. This little girl was probably the only one who could think of such a derogatory method and dare to do so.

“Then, that King of Hell got angry out of humiliation and said that he didn’t want to read the book of sins anymore. He asked the Little Brat to directly punish me. “Of course I didn’t want to do it, so I jumped and cursed. I said, this must be the fake king of Hell’s Palace. How could anyone be punished without reading the book of sins? “You must be a fake Hades Palace!”

“And then?”

“And then, those Hades and whatnot disappeared!”Yun chujui spread her hands and said.
