

## The Yun Family's Ninth Child is an Imp! Chapter 2679

Mountain master he and the others were stunned. Gone?

In an instant, they came to a sudden realization! So it was just an illusion! The little girl had accidentally exposed it, which was why the illusion had disappeared. It was luck.

This time, without waiting for mountain master he to urge her, yun chujui continued, "A white light flashed before my eyes. When I regained my sight, there was an old man standing three feet tall in front of me. It said that it was the weapon spirit of the Asura prison.

He said that there was no one to play with him and that he wanted to keep me inside. Of course, I refused. However, I knew that I couldn't beat him. After all, the black tower was his territory."

When everyone heard this, their curiosity was about to explode. The little girl was right. The weapon spirit was the ruler of the Asura prison. Then, how did the little girl escape?

"I knew that it was impossible to fight it head-on, so I goaded him and said that he couldn't jump as far as I could. Of course, he wasn't convinced. So, we made a bet. Whoever jumped far could get the other party to do something. "Moreover, we both swore an oath in our hearts."

"You're competing with the weapon spirit in the long jump? Little Girl, how can you possibly win against it? Since it's the ruler of the Shura prison, it can naturally appear anywhere. You definitely can't win against it."Mountain master he shook his head, he felt that Yun Chujui's method was simply stupid.

Yun chujui blinked her eyes. "Mountain Master He, why don't we give it a try? I guarantee that we can jump farther than you."

"Little girl, could it be that you were too frightened inside and are talking nonsense? You can jump farther than me? What a joke!"Mountain master he was so angry that he was amused!

“Then let’s give it a try?” “If I win, when Master Baili takes care of me later, please help me talk to him.” “If I lose, then I will lose 100,000 high-grade spirit stones to you.” Yun Chujiu said unwillingly.

Mountain master he was a hot-tempered person. Otherwise, he wouldn’t have transferred that “Bad-eyed” disciple out of nowhere. Therefore, how could he withstand Yun Chujiu’s goading? He immediately agreed.

The corners of Master Baili’s and the others’ eyes twitched. This old he was originally interrogating the disciple, but he had agreed to a long jump competition after being beat around the bush.

It was no wonder that the weapon spirit of the Shura Prison would agree to this little girl’s long jump competition. This little girl could indeed be fooled. However, how could she jump farther than old he?

Everyone watched with eager eyes as they saw Yun chujiu draw a line on the ground. With a light leap, she jumped more than ten meters away. It was obvious that she didn’t use her full strength.

Could it be that this little girl only wanted to give old he a hundred thousand high-grade spirit stones? So that he could plead on her behalf? Wasn’t she looking down on old he too much? How could old he help her for such a small amount of spirit stones?

Mountain master he saw that Yun Chujiu jumped so close, and his mouth twitched. He felt that he could surpass her with 30% of his strength. Just as mountain master he was about to jump., yun Chujiu said with a smile, “Mountain Master He, do you dare to jump somewhere else?”

Mountain master he did not know that this fellow was full of bad ideas. He said arrogantly, “Change a place? Why Not? You can choose any place. Even if it’s uphill, I can jump farther than you.”

Yun chujiu nodded with a smile. Then, she walked to the corner and drew a line one foot away from the corner. “Mountain master he, come on. Jump from here. Jump towards the wall!”

Mountain master he:” ...”

Everyone:” ...”

They finally understood why the weapon spirit had failed. This little girl was too despicable! Qi ling was too despicable!
