

The Yun Family's Ninth Child is an Imp! Chapter 2682

Yun Chujiu had the three in her Dantian spit out a large amount of lightning spiritual force, which she used to break through.

The three knew that the Lightning spiritual force was only aimed at a certain Jiu's dantian, and that it was ultimately still theirs. Therefore, they cooperated and kept on swallowing the lightning spiritual force.

Two hours passed, and four hours passed..

Four hours later, the cave No. 15 was filled with purple lightning. A certain jiu, who was meditating and breaking through, disappeared on the spot.

The small leader who was guarding the teleportation array was chatting with the other disciples. The topic of conversation naturally could not be separated from Yun Chujiu. After all, it was the first time in so many years that he had encountered such a weirdo.

"Boss, you said that Yun Chujiu is only at the sixth layer of the Lingxuan realm, but she stayed in the cave of thought No. 15 for two months and was still fine. How did she do it?"

"I heard that Yun Chujiu is very rich. She probably has a lot of defensive spirit tools or even immortal tools on her, so she can naturally last for a long time."

"You're right, but isn't this burning money? What was she thinking when she was told to come out earlier and not come out?"

"Who knows, maybe she really blames herself?"

..

While everyone was discussing, they saw a little girl suddenly appear on the teleportation array. If it wasn't Yun Chujiu, then who was it? !

Yun chujiu opened her eyes and looked at it blankly. eh? How did she get teleported out after leveling up?

Yun chujiu waved her claws at the dumbstruck little leader. "Then, senior brother, did you teleport me out?"

The little leader shook his head like a rattle-drum. In all conscience, he didn't do anything!

"Could it be that there's a problem with the teleportation array? Senior brother, come, send me in again. I'll continue to think about it!" Yun Chujiu said with a smile.

The leader felt like he was barking a dog in his heart. Generally speaking, since he had already come out, who would still want to go in again? Even if he found a random reason, he wouldn't want to go in again, okay?

However, he had no position to prevent Yun chujiu from going in, so he could only form a seal again and send Yun Chujiu back to the No. 15 Cave of reflection.

After Yun Chujiu returned to the cave, she found a problem.

Although the wind blades still blew every hour, the Lightning was gone.

This guy touched his nose guiltily. Oh My, could it be because of her breakthrough? Could it be that the lightning in other meditation caves was gone too?

It shouldn't be, after all, these meditation caves were thousands of miles away.

This guy shook his head. This No. 15 meditation cave was considered useless, and he couldn't come back anymore.

This guy felt that since there was no lightning here, there was no point in staying any longer. He had to think of a way to get out.

Therefore, this guy began to paint the wall with mud during the time when the wind blades stopped, so that he wouldn't be too late when he was teleported.

When the stone wall was almost painted, this guy sent a message to Jin Zhi, asking her to go to the law enforcement office. He told her that she couldn't hold on any longer and quickly let her out.

"Little Jiu, you didn't come out when I let you out before, and now you're looking for them. Can they let you out?" Jin Zhi said with some worry.

"Don't worry, who asked me to be useful! They will let me out. When you arrive, send me a sound transmission talisman," Yun Chujiu said confidently.

After hearing this, Jin Zhi hurriedly rushed to the law enforcement office.

Coincidentally, manager Zhong was still on duty today. Jin Zhi told him the purpose of her visit. Although manager Zhong couldn't wait for Yun Chujiu to die, he was afraid of Offending Mountain Master Zhuo, so he could only bring Jin Zhi to see elder Chu.

After elder Chu communicated with mountain master Zhuo with his identity jade token, he signaled manager Zhong to bring Jin Zhi to let her out.
