

The Yun Family's Ninth Child is an Imp! Chapter 2683

Jin Zhi heaved a sigh of relief. It had to be said that little jiu really understood the human heart very well.

Everyone arrived at the teleportation array of the reflection cave. The little leader teleported Yun chujiu out according to the time agreed upon by Jin Zhi and Yun Chujiu.

Manager Zhong looked at the lively Yun chujiu and felt stifled in his heart. This little girl had been locked in there for two months, yet she was still unharmed. How was this possible? Could it be that she had been locked in a fake cave of reflection?

Before Yun Chujiu left, she stuffed a few tens of thousands of high-grade spirit stones into the little leader's hands and left.

The little leader looked at Yun Chujiu's back and had a premonition that this little girl would come back again..

Jin Zhi knew that Yun Chujiu went to the cave of reflection for the Lightning, so she asked in puzzlement, "Why are you suddenly coming out again?"

Yun chujiu touched her nose guiltily. "Of course I didn't want to come out earlier, but once I made a breakthrough, all the Lightning in the cave disappeared."

Jin Zhi stumbled. "What if someone finds out?"

"You won't admit it! Besides, the person who was punished to go to the cave of reflection would rather have no lightning. Why would he tell others? Don't you think so?" Yun Chujiu said indifferently.

Jin Zhi thought it made sense and asked, "Have you succeeded in breaking through? How many levels have you reached?"

“This breakthrough is still incomparable to the heavenly lightning. There are only two levels. I’m only at the fifth level of the spiritual void tier,” Yun Chujiu said regretfully. The Heavenly Lightning was more powerful.

Jin Zhi glared at her. “Stop trying to be a good girl! What do you want to do if you get two levels up at once? !”

Yun chujiu giggled and didn’t say anything. One should be content with what one has.

In the next few days, Yun Chujiu went to Mountain Master Zhuo of Tianji Peak to improve her impression of the old man so that the old man wouldn’t get angry.

Then, she went to mountain master he to exchange her experience in the long jump, letting mountain master he win against her once.

Then, she went to Master Baili to express her determination to change her mind. She mentioned the Godly Demon Palace, which made Master Baili pay more attention to her and improve his impression of her.

Then, he discussed the recruitment plan for the Mulberry Garden with elder Ding and the other two, and inspected the growth and development of the Snow Jade Silkworm..

This guy felt that these few days had been too fulfilling. It was as if his feet didn’t touch the ground!

Then, this guy began to wander around the primordial chaos sect. His purpose was obvious — to cheat! It was simply a waste of time outside. It was better to be in the reflection cave! She had to find someone to beat up!

On this day, this fellow strolled to Kaiyang Peak.

She recalled that when she passed by the teaching hall a few days ago, she saw that there were spirit fruits that were about to ripen. It should be almost ripe by now, so she hopped to the teaching hall.

The teaching hall was where the elders taught the inner sect disciples. This was also the unique benefit of inner sect disciples. Outer sect disciples and handymen did not have such an opportunity.

There was no one guarding the hall of teaching. After all, no one would randomly barge in. Of course, a certain Jiu had always taken an unusual path.

Yun chujiu slipped into the courtyard of the hall of teaching. When she saw the red spirit fruits on the branches, she could not help but be overjoyed. She picked one and took a bite without washing it.

The Juice was rich, sweet, and delicious!

Yun Chujiu finished the one in her hand and began to pull it into her storage ring. She was ready to bring it back for Jin Zhi and ye Bingyu to taste.

Just as she was picking the fruit, the door of the main hall opened and the lesson of the preaching hall ended. An elder came out first, followed by many inner disciples.
