

The Yun Family's Ninth Child is an Imp! Chapter 2685

The inner disciples argued for a while. When they saw Yun chujiu smiling at them without saying anything, they felt a little awkward and didn't say anything.

Seeing this, the disciple, Wu Shan, pointed at Yun chujiu and said, "Yun Chujiu, you still have the face to smile? ! Compensate us with the money for the spiritual fruit, and then get lost immediately!"

Yun chujiu waved at Wu Shan and said, "You want to compensate us? Come and take it!"

Wu Shan was skeptical and didn't move. If he were to turn the spirit stones, he wouldn't need to be so close to her. What did this Yun Chujiu want to do?

"What? As an inner disciple, are you afraid of me, a mere servant? TSK TSK, since you don't dare to come and take it, then you can't blame me!" Yun chujiu crossed her arms and said disdainfully.

Those inner sect disciples began to clamor, "Junior Brother Wu Shan, you're not really afraid of her, are you? Can She really fight? Moreover, even if she fights, can you still not beat her?"

"Junior brother Wu Shan, there's still us. What are you afraid of? !"

"That's right, junior brother Wu Shan, if you don't go, I'll really look down on you!"

..

Although Wu Shan was still feeling a little uneasy, he could not resist the crowd's jeering. He could only walk in front of Yun chujiu warily, "Give it to me!"

The corners of Yun Chujiu's mouth curled up. Everyone could only see an afterimage. When they saw it clearly, Wu Shan was already held by a large kitchen knife at his neck.

"Yun Chujiu, what are you doing? ! Hurry up and let junior brother Wu Shan Go!"

Everyone cried out in surprise. They did not expect Yun chujiu to actually dare to make a move. Was she crazy?

Yun chujiu restrained Wu Shan and then took out a thick stack of explosive talismans. "All of you, get away from me. Otherwise, don't blame me for being ruthless."

Everyone was first shocked, then someone said, "Yun Chujiu, who are you trying to scare? If you dare to throw one, try it..."

Boom!

Before that person could finish his sentence, an explosive talisman exploded not far away from him!

Although he was not injured, he was really scared. "You, you are crazy!"

Yun chujiu shrugged her shoulders. "I am not crazy, but if any of you don't know what's good for you, I might really be crazy! All of you, step back!"

Everyone looked at each other. It was obviously not wise to compete with a madman.

Although they had the advantage in numbers, that madman had such a thick stack of explosive talismans in his hands. It would not be worth it if they were to fight and get injured.

Yun chujju saw everyone step back obediently, only then did she say to Wu Shan, “Tsk Tsk, you want money from me? You’re really audacious! I think you don’t know what you’re capable of after becoming an inner disciple! Let Me Help You Wake Up!”

After Yun Chujiu finished speaking, she kicked Wu Shan to the ground, took out a rolling pin, and started to beat him up.

Everyone sucked in a breath of cold air when they saw this. Oh My God, this darn girl was really ruthless! Fortunately, she didn’t use force against her just now, or else this madman would really have blown them to death.

Wu Shan howled miserably, “Yun Chujiu, you... You’ll die a horrible death! You’ll definitely be punished by the sect rules!”

“Oh, you still dare to scold me? I will cut off your tongue and see if you still dare to talk nonsense!” Yun chujju took out a dagger and waved it in front of Wu Shan.

Wu Shan was so scared that he almost fainted, “You... you... You Dare? !”

“Do you think I dare?” Yun chujju was about to make a move.

Wu Shan was terrified, “Yun... Junior Sister Yun, I was wrong, I was wrong! Please spare me!”

“You were wrong? Where were you wrong? If you had said it to my satisfaction, I wouldn’t have cut off your tongue. Otherwise, HMPH!” Yun chujju waved the dagger in her hand.
