

The Yun Family's Ninth Child is an Imp! Chapter 2686

"My, my fault is that I shouldn't speak nonsense! I shouldn't meddle in other people's business! This, this spirit fruit, you can pick as many as you want." Wu Shan saw that the dagger was getting closer and closer to him, and his face was so pale that he almost fainted.

Yun chujiu shook her head. "Is that all?"

"Also, also, I'm a bastard! I'm a waste! I shouldn't have spoken evil words to you."

"Is that all?"

"Yes, yes, yes, and them too! They are all meddling in other people's business and spouting nonsense! You can enter the Hall of preaching as you please, and pluck as many fruits as you like." Wu Shan was terrified, he didn't care whether he would offend his fellow disciples or not. He had to save his tongue first.

The inner sect disciples of Kaiyang Peak were furious. If it wasn't for Wu Shan's instigation just now, would they have joined in the commotion? Now, they were being blamed. Wu Shan was really detestable!

Yun chujiu found it funny in her heart. This Wu Shan was really out of his mind. He would definitely not have an easy life in the future.

However, she had only beaten up Wu Shan. Most likely, he could only be locked up in the No. 10 Thinking Cave. It was best to stir up some trouble. Otherwise, she would not have achieved her target of being blackmailed!

Just as Yun Chujiu was worrying that the matter was too light, she heard a shout from the door, "Yun Chujiu! What are you doing? ! Hurry up and let that disciple Go!"

Yun chujiu turned around and saw that the person who had come was elder Jing. It was probably a message from a disciple or he had heard the sound of the explosive talisman.

When Wu Shan saw elder Jing coming, he shouted with Snot and tears in his eyes, "Elder Jing, Help! Help!"

Elder Jing wanted to help, but Yun Chujiu's kitchen knife was pressed against Wu Shan's neck. He didn't dare to use force.

"Yun Chujiu, did you hear what I Said? Let him go before the big mistake is made!"Elder Jing said sternly.

Yun Chujiu's heart skipped a beat. It was not bad to use this old man as a scapegoat. It was just enough for the entry test.

However, she definitely could not beat this old man. She would just say it out loud!

"Elder Jing, you came at the right time. This disciple of yours spoke rudely and seriously hurt my fragile little heart. As the saying goes, a teacher's laziness can not be taught strictly. Shouldn't you express your gratitude to me?"

Elder Jing could not react for a long time!

He thought that with a shout, Yun Chujiu would definitely release Wu Shan and admit her guilt to his face. Who would have thought that not only did Yun chujiu not release him, she even blamed him?

Elder Jing pointed at himself. "You, you blame me?"

“Yes! I’m Talking About You! Did this trash listen to your class? Since he listened to your class, you are his teacher. He is such a jerk, shouldn’t you bear some responsibility?”

Elder Jing was almost choked by the rebuke. He pointed at Yun chujiu and said, “He, how is he a jerk?”

Yun chujiu took a needle and stabbed Wu Shan’s waist. “Tell me yourself, how are you a bastard? !”

Wu Shan trembled in pain. He had hoped for elder Jing, but now it looked like he couldn’t rely on anyone. He had to rely on himself!

Thus, Wu Shan said with a trembling voice, “I’m a bastard! I’m indeed a bastard! I shouldn’t have spoken ill of junior sister Yun. I shouldn’t have stopped junior sister Yun from picking fruits.”

“Elder Jing, did you hear that? He said it himself. As a teacher, shouldn’t you apologize to me as well?” Yun Chujiu said to elder Jing with a provocative look.

Apologize to you?

Is it reasonable for you to break into the Hall of law privately?

Is it reasonable for you to privately pick the spirit fruit?

Is it reasonable for you to beat up your fellow disciples?

Whether it was elder Jing or those inner disciples, they were all stunned by Yun Chujiu’s shamelessness. How could there be such a shameless person in this world?
