

The Yun Family's Ninth Child is an Imp! Chapter 2687

Elder Jing had always been a prankster. He did not expect to be threatened by a small handyman today. One could imagine the anger in his heart.

Elder Jing's face was gloomy. The pressure on his body rushed toward Yun Chujiu. He did not expect that Yun Chujiu was fine. On the contrary, Wu Shan was made to spit out a mouthful of blood by the huge pressure.

Yun chujiu quickly released her hand. "Oh my God, elder Jing, are you going to kill him just because Wu Shan told the truth?!"

Wu Shan looked at elder Jing in disbelief. Was elder Jing going to treat him like this just because he said something wrong?

Elder Jing was so angry that his beard almost stood up. "You, you're talking nonsense! I was obviously trying to use the pressure to force you to release him."

Yun chujiu covered her ears. "I don't want to hear it, I don't want to hear it. Bastard scripture! Anyway, Wu Shan was injured by you. You're a petty and petty person. You're not worthy to be their teacher at all."

Bastard scripture?

Elder Jing was so angry that smoke was almost coming out of his head. "Impudent! You're really stubborn. This old man must teach you a good lesson today!"

As elder Jing spoke, he suddenly jumped to catch Yun Chujiu. He had already thought about it. No matter what face he had, he had to teach this stupid girl a lesson no matter what.

Yun chujiu was very smart. She knew that after she said this, elder Jing would definitely make things difficult for her, so she kicked Wu Shan toward elder Jing and then jumped out of the courtyard.

This fellow shouted as he ran, “Oh no! Elder Jing is going to kill someone! Help! Help!”

Elder Jing was delayed by Wu Shan for a moment. When he regained his senses, Yun Chujiu had already disappeared. He could only hear her shouting.

Elder Jing was so angry that he almost lost his balance. He gritted his teeth and jumped out of the courtyard, chasing after her closely.

Yun chujiu had been all over the chaos origin sect’s blackmailers during this period of time, so she was very familiar with the roads. She especially ran to places with many people.

“Help! Help! Elder Jing wants to silence me. If I find out, he will kill me as well!”

“Elder Jing, I was wrong! I promise I won’t talk nonsense to others. If you want to kill your own disciple, go ahead and kill him. Don’t kill me!”

“Elder Jing, don’t tell me you are still jealous of what I said during the entrance test? You are taking revenge for your own personal grudge. Isn’t your conscience hurting?”

..

The ignorant disciples who didn’t know the truth heard Yun Chujiu’s shout and then looked at the ferocious-looking elder Jing behind her. They immediately believed more than half of it. This elder Jing usually looked quite kind, but they didn’t expect him to be so ruthless.., one really couldn’t judge a book by its cover!

Elder Jing saw the strange looks in everyone's eyes and was so angry that he was twitching. Today, even if Master Baili begged for mercy, he had to teach this Yun chujiu a lesson. She was really too wicked!

However, this little girl was only at the sixth layer of the Lingxuan realm. How could she run so fast?

Elder Jing chased her to the small square of Shuangyang Peak. He saw that Yun Chujiu had already flown far away on the chopping board.

Elder Jing rode his sword and chased closely behind. From Afar, he could hear Yun Chujiu's clear voice shouting to the people below, "Help! Help! Elder Jing has done something indescribable. He wants to kill me to silence me!"

Unspeakable?

Everyone suddenly thought, could it be that elder Jing's ten-thousand-year-old iron tree has blossomed? Did he take a fancy to a female disciple?

Elder Jing heard the discussion coming from below and almost fell off his sword.

"Yun Chujiu! You're talking nonsense! Shut Up!"Elder Jing's voice, which contained his spiritual power, spread across dozens of miles.
