

The Yun Family's Ninth Child is an Imp! Chapter 2688

Unfortunately, elder Jing did not know that some things were smeared more and more. The more he said so, the more the rumor evolved. The final version even had the details.

Moreover, the disciples of the primordial chaos sect could communicate with each other using their identity jade tokens. One spread ten, ten spread a hundred. Soon, more than half of the people of the primordial chaos sect knew of this version:

Elder Jing had taken a fancy to a female disciple with a very good figure. He had failed in his pursuit and wanted to silence her, but Yun Chujiu had caught him. Now, elder Jing was chasing after Yun Chujiu.

The identity jade token of elder Jing, who was chasing after her relentlessly, kept popping out messages. Moreover, the voice transmission talisman in his storage ring kept ringing.

Elder Jing sent his spiritual sense in:

Elder Yuwen: "Old Jing, even if you want an old tree to bloom, you have to be more reserved. It's fine if the disciple is unwilling, but you actually want to silence her? has your conscience been eaten by a dog?"

Elder linghu said, "Old Jing, what's Going On? I always thought you were a gentleman, but I didn't expect you to have designs on the female disciple. A rabbit doesn't eat grass near its nest. You really are!"

Mountain master he of Yuheng Peak said, "Old Jing, you've done something wrong, so how can you still go after the little girl? If you know your mistake, you should change it. Stop it now!"

Mountain Masster Zhuo of Tianji Peak said, "Old Jing, if you want to pursue that female disciple, then you should do it properly. Why are you chasing Yun Chujiu? ! Although Yun Chujiu has studied the pairing of snow jade silkworms, she's not the Moon Elder, so she can't help you!"

..

Elder Jing was so angry that he fell off the sword. Fortunately, he had high spiritual power, so he used a few big trees to stabilize himself. However, his hair was also scattered, and his clothes were dirty.

He couldn't care less about these things. He rode the sword again and continued to chase after Yun Chujiu. His eyes were red, and he only had one goal in mind, and that was to kill Yun chujiu to vent his anger!

Now, whatever sect rules or seniority, all of them should get lost! He had to kill that stupid girl who spouted nonsense today!

Yun chujiu heard the rumor that Jin Zhi had told her using her identity jade token. She laughed so hard that she almost fell off the chopping board.

This fellow knew that elder Jing must be mad. There was only one person who could save her now, and that was Master Baili.

Thus, this fellow flew to Dubhe Peak in a hurry.

"Master Baili, save me! Elder Jing wants to kill me to silence me!" Yun chujiu knew that Master Baili usually worked in the meeting hall, so she ran into the meeting hall as if she was being chased by a dog.

As the sect master of a sect, master baili naturally had many spies. He had already received the report since the matter was so big.

However, he only knew a little about it. He didn't know about the law enforcement hall of Shuangyang Peak. He only knew that elder Jing was crazily chasing after Yun Chujiu.

“What exactly happened? Why is elder Jing chasing after you?” Master Baili felt a headache. It seemed that Yun Chujiu had just come out of the cave of reflection on the 15th a few days ago? Why did she commit another crime?

“Master Baili, let’s talk about what happened slowly. Can I stand beside you? Otherwise, when elder Jing comes in later, he will definitely kill me!”

Although this guy was asking a question, he had already jumped behind Master Baili. This guy knew that if the matter was blown up, that old man Jing would definitely be red-eyed. It was better to find an umbrella.

Master Baili was about to say something when he saw elder Jing rush in with disheveled hair and a few leaves on the top of his head. He was in a very sorry state.
