

The Yun Family's Ninth Child is an Imp! Chapter 2691

"You, you're spouting nonsense! When did I scold you? I only asked you to let Wu Shan go," elder Jing said angrily.

Yun chujiu pouted. "Anyway, your mouth is big, but my mouth is small. Whatever you say is fine."

Elder Jing was so angry that his head was buzzing. This wretched girl was really too crafty. When she said this, anyone who heard it would think that he was bullying others.

Seeing this, master baili rubbed the space between his eyebrows and coughed. "Yun Chujiu, it's wrong for you to intrude into the hall of law. It's wrong for you to steal the spirit fruit. It's also wrong for you to beat up an inner sect disciple. It's even worse for you to provoke and slander elder Jing. Do you know your mistake?"

"I know my mistake. When I ran away just now, I read the sect rules. I should go to No. 12 to reflect on my mistakes." "However, I feel that I have committed a great sin. I must learn from my mistakes. Please punish me to reflect on the 14th for two months." Yun Chujiu said with her head drooping.

Master Baili thought that Yun Chujiu would try to defend herself. He didn't expect that not only did she plead guilty, but she also asked for a heavier punishment. Could this little girl have gone crazy intermittently? Could it be that she had gone crazy just now and was fine now?

Master Baili didn't know that this fellow felt that she might not be able to bear the pain in the No. 16 Meditation Cave, and No. 15 had been damaged by her, so he could only go to the No. 14 meditation cave.

Seeing that Master Baili didn't say anything, elder Jing snorted. "Master, you won't protect this little girl, will you?"

Master Baili looked at him unhappily, “Elder Jing, as an elder of a sect, how can you speak ill of her?”? Yun Chujiu had made a mistake, so naturally, I will not protect her. However, the punishment in the cave of reflection on the 14th is a little too heavy. What do you think?”

Master Baili looked at Mountain Master he and the others, wanting to hear their opinions.

Mountain master he was straightforward and immediately said, “Last time, this little girl was still alive and kicking in the cave of reflection on the 15th for two months, right? The 14th shouldn’t be a problem either. She has committed many crimes, so she should be punished even more.”

Yun chujiu cursed in her heart. She had jumped far away from him for nothing, and he didn’t even try to talk to her. Although she didn’t need to, it comforted her a little.

While this guy was cursing in her heart, the other Mountain Masters spoke up one after another. None of them tried to talk to her, and even mountain masster Zhuo of Tianji Peak didn’t try to talk to her.

This was because everyone had the same thought as mountain master he. Firstly, it wouldn’t kill her to go to the cave of reflection on the 14th. Secondly, this little girl was too wicked, and she should be taught a lesson.

Elder Jing, who was at the side, felt a little better.

Before Master Baili could express his opinion, Yun Chujiu sniffled, “Sect master, the seniors are right. I was too reckless. Please send me to the No. 14 Reflection Cave! In addition, I will publicly apologize to elder Jing and restore his reputation.”

Everyone was quite surprised by Yun Chujiu’s last sentence, especially elder Jing.

Master Baili nodded his head in gratification. "It's great that you can correct your mistakes! How about this, elder Yuwen, Take Yun Chujiu to the shadow stone in the square of origin to apologize, and then send her to the law enforcement office."

Elder Yuwen nodded his head in agreement, and the crowd dispersed.

Elder Yuwen led Yun Chujiu in front, while elder Jing followed behind angrily. He didn't think that Yun Chujiu would really apologize, so he planned to follow her to take a look.

Yun chujiu kept shouting along the way, "From the south, to the north. I'm going to the mixed origin square to apologize. Those who want to go take a look, hurry up and occupy the place! If you're late, you won't be able to see anything New!"
