

The Yun Family's Ninth Child is an Imp! Chapter 2692

Elder Yuwen and elder Jing were dumbfounded. This was the first time they had seen an apology made with such a big fanfare. This Yun Chujiu was simply too thick-skinned!

The crowd had long been watching the commotion in the meeting hall. Now that they heard Yun Chujiu's clamor, they naturally all ran to the Chaos Square.

Since the Chaos Square was big enough, there was no need to be afraid of not being able to stand.

When Yun chujiu arrived with elder Yuwen, there were already quite a number of people standing in the Primordial Chaos Square.

Yun chujiu cursed in her heart. It seemed that the life of the Primordial Chaos Sect's amateur culture was very lacking. There were actually so many people here to listen to her apology. It was really a pain in the ass to have so much free time.

There were already disciples who had prepared the shadow stone long ago. When Yun Chujiu apologized, they would record the entire process. At that time, they would play it repeatedly in the primordial Chaos Square for a few days. This way, elder Jing's reputation would be restored.

Yun chujiu walked to the high platform opposite the shadow stone and coughed. "That, that, everyone, quiet down. I'm going to apologize!"

Everyone quieted down and looked at Yun Chujiu who was standing on the high platform.

Yun Chujiu felt that this feeling was not bad. It was the focus of everyone's attention. Unfortunately, she was here to apologize. If she was here to brag or something, it would be pretty awesome.

"Fellow disciples, I am here today to apologize. But before I apologize, let me introduce myself first.

I Am Yun Chujiu, a handyman from the big kitchen. Although I am only at the sixth level of the Lingxuan realm, my eyes do not rub sand. If anyone dares to provoke me, even if they are inner sect disciples, I will still beat them up.

I have already gone to the cave of reflection several times. As the saying goes, once you are new, twice you are familiar. If any of you are not afraid of being beaten up, feel free to provoke me. I will welcome you all at any time.

Also, if anyone speaks ill of me behind my back and I hear it, I'll kill you! ..."

Elder Jing was so angry that he almost passed out. Was this an apology? She was clearly here to flaunt her power!

Just as elder Jing was about to speak, he heard Yun chujiu change the topic and said, "Alright, what happened before is irrelevant. Today, I'm mainly apologizing to Elder Jing.

As a handyman, I shouldn't yell at elder Jing. I shouldn't speak ill of him, and I shouldn't say ambiguous words to mislead everyone. "There has never been a female disciple. The disciple I'm talking about is a man named Wu Shan.

"I sincerely apologize to elder Jing now. I've let you down. I shouldn't go around spouting nonsense. Please forgive me and forgive me!"

As soon as Yun Chujiu finished her words, the crowd in the square exploded!

"What? So elder Jing likes that Wu Shan? He actually likes a male disciple?"

“Oh my God! No wonder that disciple didn’t agree! It’s too scary. Let’s stay away from elder Jing in the future!”

“Get lost. With your appearance, elder Jing doesn’t like you either!”

..

Elder Jing choked and fainted. Yun Chujiu, you’ve lost your virtue for eight lifetimes!

Elder Yuwen couldn’t care less about the displeasure between the two of them. He quickly fed elder Jing a pill and only then did elder Jing wake up.

Elder Yuwen glared fiercely at Yun Chujiu who was on the stage. Yun chujiu shrunk her neck, she said loudly, “Aiya, you people! What are you thinking about? ! Let me tell you in detail the process. It’s like this. I was originally going to the hall of dharma to pick the spirit fruit...”

After listening to Yun Chujiu’s explanation, the crowd realized that they had misunderstood. They looked embarrassed. It was not their fault. The main reason was that Yun Chujiu’s words were too easy to misunderstand.
