

## The Yun Family's Ninth Child is an Imp! Chapter 2704

Master Xiahou pinched himself hard. Upon closer inspection, it was still that lively little girl, and he immediately felt his heart turn cold!

He originally thought that there was a treasure down there, and he could take the opportunity to split half of it, or to extort some spirit stones. But now, he actually helped save a little girl, and she was even wearing the clothes of a handyman. He really suffered a great loss!

Master Xiahou and the others were unwilling to give up. They jumped down and flipped around again, but there was nothing. Moreover, just as they left the stone room, the stone room sank into the ground again.

Although Master Baili and the others were a little disappointed, they were still able to save the disciples of their own sect. Especially Master Baili. He knew about the relationship between Yun Chujiu and the Divine Devil Hall, so he was very happy.

After Yun Chujiu flew up, she solemnly bowed to everyone and said a bunch of sweet words. It was nothing more than thanking everyone for saving her.

Master Xiahou felt as if his teeth had fallen to the ground and he swallowed them, master Baili gritted his teeth and asked master baili, "Master Baili, although I didn't find any treasure, I have already helped your primordial chaos sect a lot. Don't tell me you haven't expressed anything at all?"

Master Baili felt much better when he saw Master Xiahou's expression. He smiled and said, "I wonder what Master Xiahou would like to express?"

"Humph! Originally, we said that we would split the treasure if we found it. Now that we're a living person, we naturally can't split it. Then, we'll compensate our murderous origin sect with 100 million high-grade spirit stones!" Master Xiahou said unhappily, 100 million was already a small amount. Initially, he thought that he could at least get a few hundred million high-grade spirit stones back.

Master Baili did not say anything. Instead, he looked at Yun Chujiu.

Yun chujiu cursed in her heart. This Old Fox, why is he looking at her? It was not a condition that she agreed to. Could it be that he wanted her to pay for it?

What kind of joke was this? !

The fourteenth reflection cave belonged to the primordial chaos sect. If something went wrong, would he want her to pay for it? In your dreams! No Way!

Therefore, this fellow covered his head with his hand and kept screaming, "I can't take it anymore. Maybe I've been locked up in there for too long. My Head feels Dizzy."

The corner of Master Baili's eyes twitched. This little girl was really stingy!

For a moment, no one said anything. The atmosphere was very awkward.

Master Xiahou was so angry that he couldn't take it anymore. The people of the primordial chaos sect were all more thick-skinned than the last one. They had agreed to it, but now they actually pretended to be stupid. This was really outrageous!

"Well, sect master, I still have some matters to attend to in my peak. I'll be leaving now!" Mountain Masster Zhuo thought of his precious snow jade silkworm. He had been sitting on pins and needles for a long time. Now that the matter had been settled, he naturally wouldn't waste his time here, besides, what if the money was on his head?

With Mountain Masster Zhuo taking the lead, the others found all sorts of reasons and excuses to escape. Even the four grand elders left in a hurry, citing the fact that they were old and weak.

Master Xiahou was so angry that he was twitching. Those four old things ran faster than rabbits, how could they be old and weak?

“You, your primordial chaos sect shouldn’t go too far! If you don’t give us money today, we won’t be finished!” Master Xiahou roared loudly. His saliva was about to spray onto master Baili’s face.

Master baili laughed and said, “I didn’t say I wouldn’t give it to you. Why are you so agitated? ! Yun Chujiu, Master Xiahou lent us the Sun Shooting Arrow to save you. Shouldn’t you show some gratitude?”

Yun Chujiu’s heart was like a mutt. She thought that Master Baili, as the sect leader of a sect, wouldn’t really open his mouth and ask her to pay. She didn’t expect this old Fox to be so shameless and actually say it out loud.
