

The Yun Family's Ninth Child is an Imp! Chapter 271

Everyone was also puzzled. Yun Chujiu's situation was simply unheard of!

Finally, Elder Qu took out a ring from his storage ring and handed it to Yun Chujiu. "This is a Hidden Spirit Ring. It can hide one's true cultivation level and lower the spiritual power of the wearer. Try injecting your spiritual power and spiritual sense into it to see if it has any effect."

Yun Chujiu was such a shrewd person. 'It did not matter if it worked or not. If it was given to me, it would be mine! I'll refine it first!'

Thus, as if she did not hear Elder Qu's words, she directly refined the Hidden Spirit Ring with a drop of blood.

Elder Qu's eyes twitched and his beard almost stood on its ends in anger! 'I just asked you to try it. I'm not giving it to you just like that!! Is it good for you to take other people's property like this?!

Master Xuanyuan cursed silently at the side. 'Old Qu, oh Old Qu, you're still young. You'll only learn your lesson after being tricked by this little girl a few times!'

After Yun Chujiu refined the Hidden Spirit Ring, she began adjusting her spiritual power to the fourth level of the Spirit Enhancement Realm...

"Hey! Look! It's effective! Yun Chujiu's spiritual power is now at the fourth level of the Spirit Enhancement Realm!"

"That's right! It seems like this Hidden Spirit Ring is effective on Yun Chujiu!"

Yun Chujiu was very satisfied with the function of the Hidden Spirit Ring. It was simply a great tool to play the pig to eat the tiger! In the future, she would use it to trick people!

What Yun Chujiu did not know was that if an ordinary person wore the Hidden Spirit Ring, only those who had lower spiritual power than the wearer would be deceived. If the other party had higher spiritual power than the wearer, it would have no effect. However, Yun Chujiu was a weirdo... Even Master Xuanyuan and the others could not see Yun Chujiu's true spiritual power level at all.

Yun Chujiu tried to adjust her spiritual power level to level three, two, and even level one—it worked every time. She sincerely thanked Elder Qu.

Elder Qu was still a little unhappy at first, but after Yun Chujiu said a few flattering words, he was beaming with joy. He immediately felt that the Hidden Spirit Ring of his existed for Yun Chujiu. It was simply a waste for it to stay with him!

Master Xuanyuan was watching the show from the side. Yun Chujiu came up to him and said with a smile, "Master Xuanyuan, where is the storage ring that you promised me?"

The corner of Master Xuanyuan's eyes twitched slightly. He painfully took out a storage ring and gave it to Yun Chujiu.

After Yun Chujiu refined the ring, she put all the items of nourishment she received into the storage ring and left with a smile.

"Wait! Yun Chujiu, there'll be a new disciple trial in three days. Will you stay to take care of your benefactor, or will you participate in the trial?" Master Xuanyuan said in a deep voice.

Yun Chujiu had really forgotten about the trial. Whether she could become Little Ancestor Yun would depend on this trial. However, the gigolo was seriously injured from saving her. If she abandoned him, it would seem a little unrighteous!

Master Xuanyuan saw that Yun Chujiu was hesitating, so he said, "You can think about it again. Once you've thought it through, come find me."

Although everyone had high hopes for Yun Chujiu's heavenly root spirit, they were still reluctant to let this little girl become Little Ancestor Yun, who had an extremely high seniority. They hoped that Yun Chujiu would take the initiative to give up this opportunity, so they all kept quiet.

Yun Chujiu naturally understood their thoughts and nodded. "Sect leader, I'll go back and think about it. If I make a decision, I'll look for you again."

Yun Chujiu walked out of the meeting hall and rolled her eyes. 'It was finally time for me, Yun Chujiu, to be proud!'

Thus, she turned the rolling pin into a chopping board and flew up while standing on it. She was afraid that the others would not notice her, so she took the Scarlet Dawn Silk that she had scammed from Du Guyi of Heavenly Gates Sect and swiped it around...
