

The Yun Family's Ninth Child is an Imp! Chapter 2712

Di beiming saw that Yun chujiu still did not say anything, and his expression became even more displeased. "Little Jiu, didn't you hear what I Said? If you don't come over now, I will be angry!"

Angry?

It would be better if he was angered to the point of fainting!

Arrogant!

A certain jiu secretly ridiculed under the blanket. If she did not make the pretty boy obedient today, her name would not be Yun Chujiu!

Di beiming saw that Yun chujiu still did not move. He walked to the bed with a cold face and used his hand to lift up Yun Chujiu's blanket. "Black Thing, you are getting more and more daring..."

Di beiming's words stopped abruptly because when he saw Yun chujiu under the blanket, her eyes were as red as a rabbit's and her face was full of tears. He immediately panicked!

"Little Jiu, you, what happened to you? Who bullied you? Tell me, I'll help you kill him!"

Yun chujiu did not speak. She only shed tears silently. Moreover, she was sobbing. Her appearance was so pitiful! Di Beiming's heart was about to break!

"Little Jiu, you, you really worried me to death! Say Something, who provoked you?" Di beiming hugged Yun chujiu and was so anxious that he wanted to hit the wall.

Yun chujiu wiped her tears on di Beiming's body and sobbed, "No one bullied me, I was the one who was sad. I'm really useless! SOB SOB, I feel that there's no meaning in living anymore!"

Di Beiming's heart ached. He knew that Yun Chujiu's character was very tenacious. If she did not meet with some big trouble, she would not be like this. What exactly happened?

Could it be that something happened to Guai Cao again? Or did something bad happen?

"Little Jiu, you, Don't cry first. What exactly happened? Don't worry. As long as you say it, I will definitely help you solve it. Even if it can't be solved, let's discuss it properly. There will definitely be a way. Didn't you say that people should move on? What's going on? Say Something!"

Di beiming was so anxious that his forehead was covered in sweat. However, Yun Chujiu just cried and did not speak.

A certain jiu felt that even if she was slashed a few times, it would still feel much better than this. It was simply too torturous!

A certain jiu saw through the gap between her fingers that a certain jiu was about to go berserk, only then did she sob and say, "Prince Charming, you don't have to care about me. I know that my worries are unnecessary. You Won't listen to me even if I speak. Just let me be sad. Anyway, my little heart is already riddled with holes. Sob Sob, my heart hurts so much!"

A certain jiu was still clutching her chest as she spoke, looking heartbroken.

Di beiming did not have the time to analyze what Yun Chujiu was talking about. When he saw Yun chujiu clutching her chest, he quickly removed Yun Chujiu's hand. He gently helped Yun chujiu rub her chest as he asked, "Are you feeling better? Does it still hurt?"

A certain jiu was still pretending to groan at the beginning, but her face quickly turned red. What the F * ck! ! Where was this shameless gigolo rubbing? !

A certain jiu also realized that the touch of her hand was not bad. Although it was only a small bump, it was completely different from the hardness and softness of a man's chest. She simply could not put it down.

A certain Jiu felt that there was a ball of fire burning in her lower abdomen. She wanted to tear the little thing in front of her apart and eat it immediately.

A certain Jiu's eyes became deeper and deeper. She bent down and prepared to kiss a certain Jiu's lips.

A certain jiu dodged shyly. A certain Jiu's lips kissed a certain Jiu's cheek, and she couldn't help but Lick a certain Jiu's tears.

A certain Jiu was stunned!

Shouldn't tears be salty? Why were Mao Xiao Jiu's tears spicy?
