

The Yun Family's Ninth Child is an Imp! Chapter 2724

Just as elder Qi's heart was racing, he heard Yun chujia shout, "Shut Up! I can give you an explanation, but if one of you doesn't shut up, I won't say a word."

Everyone immediately quieted down. It was so quiet that even a needle dropping on the ground could hear the movement. They still had a glimmer of hope in their hearts. Perhaps Yun Chujia was afraid of angering the crowd, so she would return the money she won to them.

Yun chujia motioned for the crowd to make a path, and then followed the ladder up to the competition stage.

The crowd was confused. What was Yun chujia doing on the competition stage? Could it be that she really wanted to accept the challenge?

Was she stupid? If so many people were to challenge her, no matter how many talismans she had, it would be useless!

Yun chujia looked around. She had observed before that the people who placed their bets were mostly outer sect disciples and odd-job workers. There were only a few inner sect disciples. This was also the reason why she was unscrupulous.

"Do you feel very wronged? Do you think I cheated you out of your money?" Yun chujia asked with a cold smile.

The crowd below started to clamor again, shouting about swindlers and returning money.

Yun chujia waited for them to calm down and said in a cold tone, "Swindlers? I just want to ask you one thing. If I lose this competition and he sheng wins, will you still say that this is a scam?"

Everyone was rendered speechless by the question. If He Sheng had won, they would have happily split the money by now. Why would they accuse Yun Chujiu of scamming money here.

“Isn’t that enough? You Call Me a Scammer? Where is your face? Did I force you to place a bet or did I force you to bet on He Sheng to win? If you are willing to accept your loss, you can only blame your poor eyes for not seeing that I, Yun Chujiu, am someone important!

Your current performance is that you can not afford to lose!

Of course, I, Yun Chujiu, have always been fearless. If anyone feels indignant, feel free to come and challenge me. As long as I am still in the Shi Yuan sect, I will never admit defeat.

“Oh right, I have to remind you that my family is in the business of selling talismans and defensive spirit tools. If you want to test how many talismans and defensive spirit tools I have, feel free to come, “I’ll accompany you to the end!”

Yun chujiu took out two baskets of talismans and placed them on the ground. She had no choice. It was too exaggerated to put them in a gunnysack, so she could only find two bamboo baskets. “Anyway, it’s still early. Who Wants to come up?”

Everyone looked at each other. Although they wished they could strangle Yun Chujiu to death, no one wanted to be the sacrifice of those two baskets of talismans.

Moreover, there were always winners and losers in a bet. Perhaps they would win the next round!

Therefore, although they were unwilling, they still dispersed in twos and threes. Of course, some people had evil thoughts. That little girl had so many spirit stones on her. If they killed her, wouldn’t they make a fortune?

Leng Kui had been watching coldly from below. When Yun Chujiu got off the competition stage., he walked over and snorted coldly. “Yun Chujiu, I advise you to use your cleverness in the right place. Besides, you are as stupid as a pig. Don’t you know that you don’t reveal your wealth? Just wait for your bad luck!”

“Thank you for your concern, senior brother Leng. I will pay attention to my safety.”Yun Chujiu said with a smile.

Leng Kui:” ...”

No one was shameless to this extent. He cared about her? He was just afraid of trouble! In order to protect her life, he had to keep an eye on her. The more trouble she had, the more time she would waste on his cultivation.

The more Leng Kui thought about it, the angrier he became. He fiercely glared at Yun Chujiu and then went to see Master Xiahou.
