

The Yun Family's Ninth Child is an Imp! Chapter 2726

Fatty Wang was so aggrieved that he wanted to bang his head against the wall. However, when he thought of Yun Chujiu's two baskets of talismans, he immediately stopped eating!

Yun chujiu had been acting all high and mighty in the kitchen for a few days. She felt very bored, so she began to hop around.

One day, she jumped to the fire peak.

A burning sensation suddenly came from her right palm. Yun chujiu was delighted. The Little Flame had woken up?

Before this guy could be happy, he saw the little flame jump out of her right hand and disappeared in an instant!

What the F * ck!

Both of them were worried!

If they were discovered in broad daylight, wouldn't they be snatched away by others? !

Yun Chujiu had no choice but to rely on the little flame's little sense to start searching. When this guy was running with all his might, he was stopped by someone.

"Junior Sister Yun, please wait. In front is the cave of introspection. Without a document from the law enforcement office, you are not allowed to enter," a disciple on duty said politely.

Due to the huge commotion from the previous gambling match, many people from the killing origin sect knew Yun Chujiu.

Yun chujiu had no choice but to stop and stretch her neck to look ahead. In front of her was a teleportation array, which was similar to the one used by the chaotic origin sect to enter the cave of introspection.

Self-reflection cave? Needless to say, this was a replica of the Siguo Cave.

Yun chujiu suppressed her anxiety and asked with a smile, "Senior brother, may I ask if the disciples who were punished to go to the self-reflection cave were only in a daze to reflect?"

The disciples on duty could not help but laugh out loud, one of the disciples said with a smile, "Junior Sister Yun, if they were only in a daze, why would they come from the self-reflection cave? There are punishments in the self-reflection cave. Moreover, the higher the number of the cave, the harsher the punishment inside."

"Oh? What kind of punishments are those? Are they heavenly lightning strikes?" Yun chujiu blinked her eyes and asked curiously.

"Heavenly lightning strikes are not that severe. They are the punishments of the five elements spiritual power attacks, such as wind blades, earth thorns, vines, fireballs, water arrows, and so on. However, it is also very difficult to endure, especially when it comes to fire-type attacks. It is said that there is a strange flame produced by the thousand-year-old fire marrow, which makes people peel off a layer of skin even if they don't die!"

Yun chujiu thought to herself, no wonder the little flame rushed in in a hurry. It must have gone for the thousand-year-old fire marrow. It's just that the Little Flame's intelligence was still weak. If it was kidnapped, it would be terrible! She had to think of a way to sneak in and take a look before she could be at ease.

Hence, this fellow racked his brains and began to study the sect rules of the yuan-killing sect.

There was clearly no use in fighting and blackmailing others. Then, what kind of bad things should he do? There was no time to lose, and it had to be something that could be done immediately.

This fellow raised her head by chance and saw a large plaque at the entrance of the Fire Peak. On it were two large golden words, "Fire Peak", signed by Hongyuan Grandmaster.

This fellow was scheming. If she took down this plaque and took it with her, it would definitely be a big crime. At that time, she would be punished to enter a self-reflection cave, and it would definitely be a high-level self-reflection cave.

Yes, let's do it!

This fellow looked around and saw a few people coming from afar. There were witnesses, and when they were caught, it would be great!

This fellow deliberately exaggerated, "Aiyo, this plaque looks pretty good. I want it!"

Then, this fellow jumped up to pick the plaque. However, when her fingers touched the plaque, before she could take it down, the plaque fell to the ground and broke into two pieces..

Damn it, she was cheated!
