

The Yun Family's Ninth Child is an Imp! Chapter 2727

Yun Chujiu's depression could be imagined. She had been hunting geese all year round, but her eyes had actually been pecked by the geese. It was simply too embarrassing!

Damn it, who was so wicked to put a broken plaque here? Wasn't this deliberately harming her?

Didn't this fellow think about it? Who asked her to owe her son to steal the plaque?

The few disciples in the distance were all from fire peak. At this moment, they had already surrounded Yun chujiu and were scolding her angrily.

"Yun Chujiu, you, you have gone too far! You actually broke our fire peak's plaque!"

"Could it be that you were sent by the mixed origin sect to steal the plaque? I didn't expect the mixed origin sect to be so despicable and Shameless!"

"Speak, what are your intentions?"

..

Yun chujiu looked at the crowd and weakly said, "If I said that I was framed, would you believe me?"

"Pui! We all heard you say that this plaque is not bad. You want to steal it, but you still dare to deny it?!" The crowd was talking at once, filled with righteous indignation.

Yun Chujiu wanted to cry, but she had no tears. If she had only stolen the plaque, she would have been locked up in the self-reflection cave for a few days.

But now, she had destroyed the plaque that had been passed down for tens of thousands of years by the founder of the Fire Peak. Even if she was locked up in the self-reflection cave for the rest of her life, she was afraid that she would not be able to appease the people of the fire peak!

This time, she was really throwing a stone at her own feet!

What should she do?

Could it be that she could only show the sect leader Ring of Patriarch Hongyuan? However, this might bring even more trouble.

As the matter had become too big, not long after, Master Xiahou and the other four peak masters arrived.

Leng Kui also came over. When he saw that it was Yun chujiu again, he wanted to strangle her to death. Ever since she came, she had never stopped. She was simply a Jinx!

Mountain Master Zhao of the Fire Peak saw the broken board and couldn't help but cry as he knelt on the ground.

Yun Chujiu jumped in fright. What was wrong with this old man?

Mountain Master Zhao said in grief, "Mountain Master Zhao, I, Zhao Shenzhi, have let you all down! I didn't think that the board that has been passed down for tens of thousands of years would be destroyed in my hands... ."

Yun Chujiu, who had a rare conscience, said dryly, "Mountain Master Zhao, don't be too sad. In fact, this plaque has been broken for tens of thousands of years... ."

“Shut up! Although this Yun Chujiu has a special identity, she destroyed our fire peak’s plaque. I request that she be executed!” Mountain Master Zhao said with red eyes.

Yun chujiu immediately fed her sympathy to the dogs. She originally thought that this old man was crying pitifully, but she didn’t expect him to be so vicious that he wanted to kill her.

The Three Mountain Masters of the Golden Peak, Wood Peak, and earth peak all said indignantly, “Sect master, we agree with Mountain Master Zhao. This Yun Chujiu is extremely evil! “We have to kill her before we can answer to our ancestors.”

The three peak masters felt that Mountain Master Zhao was right. On the other hand, they felt that Yun Chujiu was a disaster. If they didn’t kill her, what if their signboards were destroyed one day?

Master Xiahou’s expression was dark and he was furious. This was the handwriting of the founder of the mountain, and it was destroyed just like that!

However, Yun Chujiu was not an ordinary disciple of the murder essence sect. Her life and death not only involved the primordial chaos sect, but also the Divine Devil Hall. How should she be dealt with?
