

The Yun Family's Ninth Child is an Imp! Chapter 2747

Yun chujiu was rather eager to give it a try. However, this fellow was afraid that his reputation would be added to the mix, so he resisted the temptation and did not make a move.

After coming over for a while, this fellow saw that Mountain Master Ren's attention was all on the black egg. He gritted his teeth. After all, reputation could not be used as food, so spirit stones were more important!

These 'Spiky' eggs would definitely sell for a good price. It would be a waste not to snatch them.

Thus, this fellow jumped up and down to catch the eggs that fell down.

As this fellow stood at the front, it didn't take long for him to catch a few eggs. This fellow felt that this trip to wood peak wasn't in vain. He had really struck it rich!

After the white egg fell down, the black egg fell down.

Mountain Master Ren and the others had been watching closely, so they immediately jumped up to catch the black egg.

This was originally a very stable arrangement. The disciples of wood peak would not and would not have the guts to cause trouble. However, no one had expected that Yun chujiu would suddenly appear out of nowhere. She suddenly jumped up, caught the black egg, stuffed it into her mouth, and swallowed it..

The scene was dead silent at first, and then it exploded!

"What does this Yun Chujiu want to do? She actually swallowed the black egg. Isn't she afraid of choking to death?!"

“I told you, she was sent by the Hun Yuan sect to harm our Shi Yuan sect. It’s true, right? !”

“Peak master, she just swallowed the seed. She must have not digested it yet. It’s still not too late to cut open her stomach!”

..

Yun Chujiu’s face was stiff. Could it be that she told everyone that the “She” just now was not her?

Yun chujiu cursed the guai Cao in her dantian. At that moment, Gou Weiba suddenly took control of her body. When she was done causing trouble, it returned the control of her body to Yun Chujiu.

Yun chujiu was so depressed that she wanted to vomit blood. Other People’s treasures were called treasures, but her treasures were all F * cking scams! She had just been swindled by the Little Flame, and now she was swindled by Gou Weiba. was there such a miserable master in this world?

In her dantian, Guai Cao was so beautiful that it was bubbling. She didn’t expect that there would be an unexpected surprise. The seed of the Thorn couldn’t be seen once in hundreds of thousands of years. This was a great tonic!

Mountain Master Ren stared at Yun Chujiu with a gloomy expression. If it wasn’t for Yun Chujiu’s special identity, he really planned to cut open her belly and take out the seed of the Thorn.

What did the thorny seeds mean? If they had those seeds, the wood peak could reproduce several thorny seeds, which would greatly increase the strength of the Wood Peak.

However, all of this was ruined by this scourge!

Mountain Master Ren could control his anger, but it didn't mean that the other elders could control their anger. One of the elders, elder Wei, reached out and grabbed Yun chujiu. "Spit it out! Spit out the seeds!"

Yun chujiu naturally would not let him grab her. She quickly dodged to the side and shouted, "It's a misunderstanding! A misunderstanding! This is all a misunderstanding!"

Everyone was furious. A misunderstanding? What misunderstanding? They had all seen her swallow the seed with their own eyes, alright? She was purely going against the wood peak. She deserved to die!

Qu Shanshan rolled her eyes. This was a great opportunity for revenge. Hence, she shouted, "Everyone, let's attack together. Catch this Yun Chujiu and let her spit out the seed!"

A few thoughts flashed through Mountain Master Ren's mind, but he did not stop her. It would be best if he could get the seed out. Even if he could not get it out, he could teach this Yun chujiu a lesson. It was too infuriating!
