

The Yun Family's Ninth Child is an Imp! Chapter 2749

Mountain master ren berated, "Shut up, where is your place to speak?!"

Even though Mountain Master Ren was berating him, his tone wasn't harsh. It was obvious that he was just putting on an act.

Qu Quan retreated to the side with an embarrassed expression. However, he was feeling proud in his heart. It was the stupidest thing to pick on someone like Shanshan. At the crucial moment, a few words were enough to kill someone.

After scolding Qu quan, mountain master ren sighed, "Everyone, although Qu Quan has overstepped his boundaries, what he said does make sense. Fifteen minutes have already passed, and Yun Chujiu is probably dead.

"If that's the case, why do we still need to go all out and kill the assassins? "Even if master baili of the origin chaotic clan comes, he won't be able to say anything. Yun chujiu brought this on herself."

Although Mountain Master Zhao of the fire peak didn't like Yun Chujiu before, if it wasn't for Yun Chujiu, he wouldn't have discovered the secret on the board, so he couldn't help but say:

"What you're saying is just speculation. What if the little girl is still alive? She's waiting for us to save her, but we're not going to save her. This isn't right."

Mountain Master Mo of Water Mountain agreed with Mountain Master Zhao's opinion, while Mountain Master Lian of Earth Mountain agreed with Mountain Master Ren's opinion. It was two to two. Now, it was up to Master Xiahou.

Master Xiahou felt that he had never encountered such a dilemma in his life. Should he save her or not?

Master Xiahou thought of what happened at the Divine Devil Hall and what Master Baili had said. He gritted his teeth, "Yun Chujiu won't die so easily. Save her!"

Naturally, no one dared to disobey master Xiahou's orders. Even though mountain master Ren could not bear to kill Thorn, he could only prepare to attack together with Master Xiahou.

The five of them took their positions. Just as they were about to attack, they saw thorn tremble violently and even let out a miserable cry.

Everyone was stunned. What was going on?

Just as everyone was stunned, a wet little girl appeared on the ground.

"F * ck! Why aren't you showing off now? ! Why are you attacking me? ! Didn't I just eat your seed? Do you have to be so stubborn? ! Son of a B * Tch!"

No one knew what Yun Chujiu had done, but the 'Thorn' was as obedient as a little wife. Even though Yun chujiu scolded it fiercely, it did not attack.

Yun chujiu dried the clothes on her body and cursed a few more words before she left the 'Thorn's' attack range.

"Sect master, you're finally here! I'm going to be bullied to death by the people of the wood peak! Wu Wu, they're going to cut open my stomach. Also, this B * Stard Thorn almost absorbed me as nourishment. I'm so unlucky!" Yun chujiu said with an aggrieved look.

Mountain Master Ren and the disciples of the wood peak who were watching from not far away almost fainted from anger!

Can you still have some face?

Who is bullying who? !

Qu Shanshan was extremely disappointed when she saw that Yun Chujiu was not dead. Now that she heard Yun chujiu inverting black and white., immediately, she screamed sharply, “Yun Chujiu, you’re spouting nonsense! You’re a Jinx, you shameless B * Tch! You were clearly the one who swallowed the black eggs of our wood peak, yet you’re returning our seeds!”

Yun Chujiu looked at sect master Xiahou with a wronged expression, “Sect master, look, even that Qu Shanshan dares to scold me and Bully me like this when you are here. Can you imagine how much I have suffered before? !”
