

## The Yun Family's Ninth Child is an Imp! Chapter 2750

Mountain Master Ren of the Wood Peak glared at Qu Shanshan. What a brainless thing!

“Yun Chujiu, I will punish the disciples of our wood peak for speaking rudely. Now let's talk about the problem of the black egg. You swallowed the Black Egg of our wood peak. Shouldn't you have an explanation?”

Yun chujiu really wanted to shout. She didn't want to do it either, Alright? It was all Gou Weiba's fault, alright?

“Mountain Master Ren, I admit that it was my fault. At that time, I didn't know what went wrong in my head. It was most likely due to my color blindness, so I thought that another white egg had fallen, so I snatched it. In a moment of desperation, I stuffed it into my mouth,” Yun Chujiu explained with a dry smile.

Mountain Master Ren was so angry that he was twitching. Are you lying to a Ghost? ! Even color blindness can distinguish between black and white, okay? !

“I don't care what your reason is. Just because of you, our wood peak suffered a huge loss. Shouldn't you compensate us?” “How about this? 300 million high-grade spirit stones. This matter will be settled. Otherwise, even if the sect master pleads for mercy for you, our wood peak will not agree,” mountain master Ren said coldly.

300 million high-grade spirit stones?

Why didn't he rob them? !

This old man Ren must be thinking about the spirit stones she won in the competition. How Shameless!

However, it was rare for this fellow to awaken her conscience. In the end, this matter was really her fault. It was reasonable to give some compensation, but 300 million was out of the question!

“Mountain Master Ren, everything has a cause and effect. If you really pursue this matter, you really shouldn’t ask me for this money.

Previously, I was originally standing behind the crowd, but it was that Qu Shanshan who seduced me to the front. If I stood at the back, wouldn’t all these things disappear?

Moreover, wasn’t Qu Shanshan already? If it wasn’t for me, there wouldn’t have been a black-hearted flower. Therefore, this black egg started because of me and was swallowed by me. Isn’t this fair? “What money do you want from me?” Yun chujiu said with a very reasonable look.

Yun chujiu was obviously pestering him. This guy was very bad! Anyway, after saying these words, at least it made mountain master ren dislike Qu Shanshan and offended her little fairy jiu. HMPH, I’ll torture you to death!

Mountain Master Ren was so angry that he couldn’t say a word. He had never seen such a shameless person.

Qu Shanshan ignored Qu Quan’s attempts to stop her, she scolded loudly, “Yun Chujiu, you B \* Tch! You’re spouting nonsense! You were the one who wanted to steal the eggs, that’s why you went to the front. What does it have to do with me? ! Even if you don’t come, there will still be some black-hearted flowers. Don’t flatter yourself!”

“Shut up! Men, send her to the law enforcement office and lock her in the self-reflection cave.” Mountain Master Ren Thought for a moment, the self-reflection cave was also ruined by Yun Chujiu’s bad deed. He changed his words and said, “Lock her in her own courtyard and meditate. Don’t come out without my orders!”

Qu Quan saw that Mountain Master Ren was furious and was afraid that he would demote Qu Shanshan to an outer sect disciple in a fit of anger. He quickly let a few disciples drag Qu Shanshan away.

Yun chujiau blinked her eyes. Qu Shanshan's words reminded her. She smiled and said to Mountain Master Ren, "Mountain Master Ren, please calm down first. I can't run away anyway. Let's have a discussion."

Mountain Master Ren snorted. The worst thing he had done was to chase out this jinx from the very beginning. There wouldn't be such trouble later on.

"Mountain Master Ren, actually, if I hadn't come, this thorn might not have produced a black egg. If you don't believe me, I'll help you ask the Thorn!"

Yun chujiau pointed at the "Thorn" with her finger and said, "B \* Stard Thorn, tell me, is it because I'm here that you're so happy that you produced a black egg?"
