

The Yun Family's Ninth Child is an Imp! Chapter 2754

Di beiming entered the house unwillingly. Yun chujiu removed the isolation array and opened the courtyard door. She saw Leng Kui standing outside.

“Senior brother Leng, why are you looking for me?”

Leng kui snorted, “Do you think I’m willing to look for you? Isn’t it because Master is afraid that you won’t Keep Your Word and cause trouble again? ! He asked me to look after you.”.

Yun Chujiu’s heart was like a mutt. was her credibility so bad now? Old Man Xia Hou still sent Leng Kui to look after her? What happened to the trust between people? Was it all fed to the dogs?

“Senior brother Leng, don’t worry. I Won’t go out. I’ll stay in the courtyard obediently for the next few days.”Yun chujiu said confidently.

Leng Kui looked at her with disdain. “You said that you wouldn’t cause any trouble two days ago. In the end, you swallowed the black egg of the wood peak yesterday! Look at you. Ever since you came, our Shi Yuan sect has never stopped.

“Forget about the gambling. After all, they are stupid! “Did you cause the fire peak’s plaque and the self-reflection cave? ! “Because of you, the self-reflection cave hasn’t been used properly, not to mention the Wood Peak’s Black Egg!”

Yun Chujiu was afraid that if Leng Kui said anything more, di beiming would notice the flaws, she quickly interrupted, “Senior brother Leng, I will stay in the courtyard obediently this time. If you don’t believe me, I swear! If I go out to cause trouble again, I will be struck by lightning! Is that Alright?”

“Alright, if that’s the case, then I will go back! I’m warning you, if you continue to cause trouble like blowing up the self-reflection cave and swallowing the black egg, even my master will not be able to protect you!”

Leng Kui did not want to stay here either. Firstly, he did not like Yun Chujiu, and secondly, the spiritual energy at the foot of the mountain was thin. Therefore, seeing that Yun Chujiu had sworn, he turned around and left.

Yun chujiu closed the door and turned around. She saw di beiming staring at her gloomily. “What happened to the self-reflection cave and the black-swallowing egg? Didn’t you say that nothing happened?”

Yun Chujiu kicked the small stone on the ground with a guilty conscience. “It’s just a small matter. It’s just a small matter.”

“A small matter? Why would the disciples of the sect leader keep an eye on you for a small matter? Are they afraid that you will go out and cause trouble?” Di beiming was indeed arrogant, but it did not mean that his thoughts were not meticulous.

Yun chujiu had no choice but to cut corners and tell him the whole story. Then, she said weakly, “Prince Charming, I, I have no choice! I was forced to do it, so... so, it can be forgiven, right?”

Di beiming sneered, “No choice? No Choice? Let me ask you, if you did not take the initiative to steal the Fire Peak’s plaque, would there be anything after that? The ten-thousand-year-old fire marrow is much more powerful than you think, what could happen to it? !

Taking a step back, you didn’t even think about it clearly, yet you carelessly went to flirt with others, just to enter a self-reflection cave. Aren’t you wrong?

Also, if you didn’t go to the wood peak to join in the fun, would there be any black egg matter? !”

Yun chujiu was so guilty that she didn’t even dare to look at di beiming. She encouraged herself. Little Jiu, little jiu, can you be a little tougher? What’s there to be afraid of? Aren’t you fine now? Aren’t you jumping around?

This fellow had been hinting for a long time before he straightened his back and said, "Prince Charming, everything you said is right, but am I not fine now? I will pay attention next time."

Di beiming snorted coldly, "Write a self-reflection! Write it now!"

A certain Jiu wanted to resist, but seeing di beiming's gloomy face, she resigned herself to fate and took out a pen and paper to write a self-reflection.

This fellow comforted himself. It's not like he hadn't written it before. If he wrote it, then so be it. Just treat it as practicing calligraphy!
