

## The Yun Family's Ninth Child is an Imp! Chapter 2755

This fellow couldn't remember how many self-criticism letters he had written in the past, so he wrote a random number and wrote a piece of paper in a carefree manner before handing it over to Di beiming.

Di beiming glanced at it and said with disdain, "You dog-like calligraphy hasn't improved at all! Since you have the time to cause trouble everywhere, you might as well practice your calligraphy."

A certain Jiu cursed in her heart. Practice your head! Although my writing isn't good, my drawing of yours is very good!

Thus, this fellow's thoughts went astray!

Di beiming read through the self-criticism book. Although he felt that it was more perfunctory, it could be considered as a little caution. Thus, he said, "Although the words are ugly, the content is passable. Do you know that it's Wrong?"

A certain Jiu did not say anything.

Di beiming frowned and raised his voice, "Little Jiu, what are you thinking about?"

"I'm thinking about your fruit, I'm thinking about you. Of course, I'm thinking about what you said! I was wrong. In the future, I will definitely think twice before I act. I will never make the same mistake again. I promise." A certain Jiu was so close that she almost let it slip.

Di beiming nodded in satisfaction, he said earnestly, "Little Jiu, it's not that I'm harsh on you. It's just that your spiritual power is too low right now. Although you can crush the Jade Token I gave you at the critical moment and I can come and help you, if you are locked in a secret realm or something like that, I'm powerless."

Yun Chujiu's heart warmed when she heard what di beiming said. To be able to make this handsome gigolo say that he was powerless, it could only mean that he was very concerned about her safety.

Yun chujiu hugged di beiming's waist, there was a layer of water vapor in her eyes. "Yes, my Prince Charming, I know. I will definitely pay attention in the future. Prince Charming, you have to pay attention to your safety too. We are all safe and sound. This is the best thing."

Di beiming lowered his head and wanted to kiss Yun Chujiu. He suddenly frowned. Damn it, who was it? Why is it so hard to stay quietly with my little wife?

A sharp scolding came from outside the courtyard, "Yun Chujiu, Little B \* Tch, come out! Aren't you going to the competition stage? I'm here to challenge you!"

Yun chujiu frowned. Qu Shanshan? Wasn't she already grounded? Why did she come out today? It was probably because Qu Quan was pleading on her behalf.

Yun chujiu was about to go out to take a look when she heard qu Shanshan screaming again and again, followed by the sound of a heavy object landing on the ground.

Yun Chujiu leaned against the crack of the door and looked. She saw Qu Shanshan lying under a tree hundreds of feet away. It seemed that she had fallen unconscious. Qu Shanshan's followers were screaming and shouting to save her.

Yun chujiu turned her head, she heard di beiming say coldly, "If I wasn't afraid of trouble, I would have taken her dog life!"! Where did she live? "I'll kill her at night. Those people following me aren't good either. I'll kill them for you."

Yun chujiu was already immune to the killing intent of a certain deity, she said disdainfully, "She's just a little grasshopper. She probably found a formation plate that forbids the use of talismans, so she came to challenge me. Humph! Even if I don't use talismans, I can still kill her!"

Di beiming saw Yun chujia's delicate appearance and immediately put the matter of killing people to the back of his mind. He hugged a certain jia and kissed her.

Qu Shanshan, who was unlucky outside, got up and rushed out of the courtyard again. Before she could open her mouth to curse, she flew out again. HMM, this time, it was coincidentally the roof of the big kitchen..
